## **Rome Guide De Voyage:**

Tosca's Rome Susan Vandiver Nicassio, 2002-01-15 A timeless tale of love lust and politics Tosca is one of the most popular operas ever written In Tosca s Rome Susan Vandiver Nicassio explores the surprising historical realities that lie behind Giacomo Puccini s opera and the play by Victorien Sardou on which it is based By far the most historical opera in the active repertoire Tosca is set in a very specific time and place Rome from June 17 to 18 1800 But as Nicassio demonstrates history in Tosca is distorted by nationalism and by the vehement anticlerical perceptions of papal Rome shared by Sardou Puccini and the librettists To provide the historical background necessary for understanding Tosca Nicassio takes a detailed look at Rome in 1800 as each of Tosca s main characters would have seen it the painter Cavaradossi the singer Tosca and the policeman Scarpia Finally she provides a scene by scene musical and dramatic analysis of the opera Nicassio must be the only living historian who can boast that she once sang the role of Tosca Her deep knowledge of Puccini s score is only to be expected but her understanding of daily and political life in Rome at the close of the 18th century is an unanticipated pleasure She has steeped herself in the period and its prevailing culture literary artistic and musical and has come up with an unusual and unusually entertaining history Paul Bailey Daily Telegraph In Tosca s Rome Susan Vandiver Nicassio orchestrates a wealth of detail without losing view of the opera and its pleasures Nicassio aims for opera fans and for historians she may well enthrall both Publishers Weekly This is the book that ranks highest in my estimation as the most in depth and yet highly entertaining journey into the story of the making of Tosca Catherine Malfitano Nicassio s prose is lively and approachable There is plenty here to intrigue everyone seasoned opera lovers musical novices history buffs and Italophiles Library Journal Du Bellay in Rome Dickinson, 2024-10-28 **"A" General Collection of the Best and Most Interesting Voyages and Travels in All Parts of the World** John Pinkerton, 1814 , *Travel As Metaphor* Georges Van Den Abbeele, 1991 Contient un chapitre sur la notion de voyage chez Jean Jacques Rousseau **Roman Theatres** Frank Sear, 2006-07-20 This book is an up to date and comprehensive account of Roman theatre architecture It contains information plans and photographs of every theatre in the Roman Empire for which there is archaeological evidence together with a full analysis of how Roman theatres were designed built and paid for and how theatres differ in different parts of the Roman Empire It is lavishly illustrated with plans text figures photographs and maps A History of Archaeological Tourism Margarita Díaz-Andreu, 2020-02-24 This book examines the relationship between archaeological tourism and professional archaeology To do so it explores the connection most visibly through nationalism and global capitalism from its origins in the early modern period to World War II How separate is the development of archaeological tourism from that of the formation of archaeology as a discipline And do the fields operate in two different worlds Scholarly discussions have largely treated them as distinct fields with no connection while histories of archaeology in particular have focused on aspects such as the history of archaeological discoveries archaeological thought and more recently the political relationship between archaeology and

nationalism and other ideologies Largely missing from all these accounts has been an examination of how archaeology has been incorporated into society for example through something that all humans enjoy leisure in the form of archaeological tourism Moreover just as histories of archaeology have largely ignored the connection between archaeology and tourism so too has tourism in the reverse direction Recent studies on tourism have centered on topics such as economy sustainable and recession tourism and new types of tourism including ecotourism and medical tourism Italica ,1949 An Essay to Direct and Extend the Inquiries of Patriotic Travellers Leopold Graf von Berchtold,1789 **Travel Fact and Travel Fiction** Z.
