which includes some of the most recent studies on ancient Iranian numismatics has been dedicated to the memory of David Sellwood 1925-2012. Sellwood spent more than fifty years of his life studying and publishing about the history and coinage of Iran. His legacy is exhibited in this volume through the contributions of individuals from different backgrounds and countries who have participated to make this book possible. He would have been pleased to see that not only his old friends remember him but also that some young scholars who were not even born when the first edition of his *Introduction to the Coinage of Parthia* was published in 1971 are now working in the areas of his interests. This volume was previously published by the Jordan Center for Persian Studies, University of California, Irvine.

**Organizing and Managing the Language Arts Block**  
Lesley Mandel Morrow, 2003-01-01. This book offers essential guidance to preservice and inservice teachers seeking to create, revise, or add new strategies to the teaching of the language arts block. The focus is on how to implement effective strategies in the context of a well-planned classroom and a smoothly choreographed daily schedule. In a series of vivid case studies, Lesley Mandel Morrow brings to life the methods used by exemplary teachers to create rich, student-friendly learning environments for children in grades K-4. No component of organizing the language arts block is omitted, including setting up and running classroom learning centers, assessing different instructional needs, conducting whole-class and small-group meetings, and linking language arts to content-area instruction. Enhancing the practical utility of the book are sample daily schedules and classroom management tips for each grade level, along with dozens of reproducible learning activities, lesson plans, and assessment and record-keeping tools.

Learning Essentials Kindergarten  
Canadian Curriculum Press. The full-colour CCP Kindergarten Reading Readiness workbook helps children practise key early reading skills that are part of the kindergarten curriculum across Canada. Its colourful activities develop recognition of letters and sounds from Aa to Zz and build early word skills through practice of rhyming, sight words, word families, matching nursery rhymes, and much more. Written by a teacher working in a Canadian classroom, this book fosters early reading skills and confidence in the classroom.

*Early Intervention Strategies*  
Mason Ross, 2025-02-22. *Early Intervention Strategies* highlights the crucial role of proactive interventions in addressing learning disabilities like dyslexia, dysgraphia, and dyscalculia to ensure academic success. Research shows the brain's plasticity during early childhood allows interventions to rewire neural pathways, emphasizing the heightened potential for positive change. The book underscores that early intervention is not just about addressing existing challenges but preventing long-term academic and social-emotional difficulties. The book's approach involves a structured progression starting with foundational concepts and identification methods, then delving into evidence-based intervention strategies with practical examples. It emphasizes using assessment tools and specialized instruction techniques to create individualized education programs (IEPs). By providing concrete strategies grounded in empirical research, the book empowers educators, parents, and policymakers to implement effective interventions and foster academic success. The text provides insights into the ethical considerations surrounding early intervention, advocating for equitable

access to diagnostic and intervention services particularly for underserved populations It emphasizes the importance of evidence based decision making and practical application across various educational settings Ultimately the book offers a roadmap for integrating early intervention strategies effectively supporting children s academic journeys from the start
