Tradition In Yemen Transition In Palestine :

Traditional Society in Transition: The Yemeni Jewish Experience Bat-Zion Eraqi Klorman, 2014-04-24 In *Traditional Society in Transition The Yemeni Jewish Experience* Bat Zion Eraqi Klorman offers an account of the unique circumstances of Yemeni Jewish existence in the wake of major changes since the second half of the nineteenth century It follows this community's transition from a traditional patriarchal society to a group adjusting to the challenges of a modern society Unlike the perception of the Yemeni Jews as receptive to modernity only following immigration to Palestine and Israel Eraqi Klorman convincingly shows that some modern ideas played a role in their lives while in Yemen Once in Palestine they appear here as adjusting to the new conditions by striving to participate in the Zionist enterprise consenting to secular education transforming family practices and the status of women The book is an important contribution to the study of Yemeni Jews in Yemen and abroad as well as for Jewish Muslim relations relations between Yemeni Jews and other Jews and gender studies Many of these issues have not been previously studied and the use of private archives and interviews greatly increases the value of this study Rachel Simon Princeton University Princeton NJ Association of Jewish Libraries Reviews November December 2014 *Jewish-Muslim Relations and Migration from Yemen to Palestine in the Late Nineteenth and Twentieth Centuries* Ari Ariel, 2013-12-05 In *Jewish Muslim Relations and Migration from Yemen to Palestine in the Late Nineteenth and Twentieth Centuries* Ari Ariel analyzes the impact of local regional and international events on ethnic and religious relations in Yemen and Yemeni Jewish migration patterns Previous research has dealt with single episodes of Yemenite migration during limited spans of time Ariel instead provides a broad sweep of the migratory flows over the 70 year time span during which most of Yemen's Jews moved to Palestine and then Israel He successfully avoids the polemic nature of much of the literature on Middle Eastern Jewry by focusing on the social economic and political transformations that provoked and then sustained this migration *The Oxford Handbook of the Jewish Diaspora* Hasia R. Diner, 2021 The reality of diaspora has shaped Jewish history its demography its economic relationships and the politics which that impacted the lives of Jews with each other and with the non Jews among whom they lived Jews have moved around the globe since the beginning of their history maintaining relationships with their former Jewish neighbors who had chosen other destinations and at the same time forging relationships in their new homes with Jews from widely different places of origin **Yemen** Steven C. Caton, 2013-04-09 Yemen is a country that is critical to U S security and our political interests yet most Americans know virtually nothing about it This book unlocks its secrets and explains its complexities in simple yet compelling language A nation with a rich civilization that has spanned 3 000 years Yemen is the only democratic republic in the Arabian Peninsula While events in modern day Yemen are often in international news most Americans know nothing about this country nor are there easy to read up to date resources for lay audiences This book fills the gap in the literature It describes Yemen's geography economy politics and government history culture society and contemporary events presenting a comprehensive

but accessible overview of the country from many different angles coverage that is long overdue Editor Steven C Caton has taken care to create a resource that is readily comprehensible to non specialists such as high school and college students and general readers as well as highly informative for those with previous knowledge about Yemen His thorough treatment provides synthetic overviews of key topics discusses and dismisses certain misconceptions about Yemen offers surprising perspectives on the relatively unknown country and underscores Yemen s importance to the region and the wider world both in ancient times and today

Longing and Belonging Nancy E. Berg,Dina Danon,2025-02-25 This volume explores the history of Jewish life and experience in the modern Islamic world Longing and Belonging investigates the lives of Jews among Muslims in the modern age both inside and outside the Ottoman Empire and after its demise Here modern Jewish protagonists are revealed as active participants in an expansive Islamic civilization reflecting a mutuality and cross fertilization in the region that raises new lines of inquiry and which offers enduring lessons for the world today This collection both foregrounds the experiences of Jewish communities that have long been relegated to the margins of historical and literary studies and critically uses these experiences to complicate prevailing narratives from both Jewish and Middle Eastern Studies By following communities from the coffeshops of Cairo to the villages of Yemen from the local marriage market in Izmir to the global commerce of the Sassoons readers gain intimate insight into a world that resists a simple understanding of the modern Islamic world and of the place of Jews within it Just as much as the Sephardi and Mizrahi experience complicates prevailing paradigms in the study of Jewish modernity so too does it enrich understandings of modernity across Muslim societies The volume tells a story of longing belonging and longing to belong of multiple affinities in a world that no longer exists Contributors Esra Almas Nancy E Berg Dina Danon Keren Dotan Annie Greene Alma Rachel Heckman Hadar Feldman Samet Joseph Sassoon Edwin Seroussi Alon Tam Alan Verskin Mark Wagner

Levenson,2015-09-29 The Festschrift Darkhei Noam The Jews of Arab Lands presented to Norman Noam Stillman offers a coherent and thought provoking discussion by eminent scholars in the field of both the history and culture of the Jews in the Islamic World from pre modern to modern times Based on primary sources the book speaks to the resilience flexibility and creativity of Jewish culture in Arab lands The volume clearly addresses the areas of research Norman Stillman himself has considerably contributed to Research foci of the book are on the flexibility of Jewish law in real life Jewish cultural life particularly on material and musical culture the role of women in these different societies antisemitism and Jewish responses to hatred against the Jews and antisemitism from ancient martyrdom to modern political Zionism

Contesting Realities Susanne Dahlgren,2010-12-23 As a resident of Aden for more than three years spanning the late years of Marxist South Yemen Dahlgren presents the reader with an intimate portrait of Yemeni men and women in the home in the factory in the office and in the street demonstrating that Islamic societies must be understood through a multiplicity of social spheres and morality orders Within each space she examines the range of legal

political religious and social regulations that frame gender relations and social dynamics Highlighting the diversity of women s and men s positions as a continuum rather than as distinct areas Dahlgren presents a vivid picture of this dynamic society providing an in depth background to today s political upheavals in Yemen **Desert in the Promised Land** Yael

Zerubavel,2023-05-25 A complex and fascinating portrait of Israel an engaging book that combines anthropology culture and history Anita Shapira author of Ben Gurion Father of Modern Israel At once an ecological phenomenon and a cultural construction the desert has varied associations within Zionist and Israeli culture In the Judaic textual tradition it evokes exile and punishment yet is also a site for origin myths the divine presence and sanctity Secular Zionism developed its own spin on the duality of the desert as the romantic site of Jews biblical roots that inspired the Hebrew culture and as the barren land outside the Jewish settlements in Palestine featuring them as an oasis of order and technological progress within a symbolic desert Yael Zerubavel tells the story of the desert from the early twentieth century to the present shedding light on romantic mythical associations settlement and security concerns environmental sympathies and the commodifying tourist gaze Drawing on literary narratives educational texts newspaper articles tourist materials films popular songs posters photographs and cartoons Zerubavel reveals the complexities and contradictions that mark Israeli society s semiotics of space in relation to the Middle East and the central role of the besieged island trope in Israeli culture and politics

Journalism Across Cultures: An Introduction Levi Obijiofor,Folker Hanusch,2017-09-16 In today s global digital world journalists are required to be cognizant of ethical and cultural issues beyond usual national boundaries This text provides a theoretical and practical introduction to cross cultural journalism equipping students with the skills and understanding they need today Encyclopedia of Jewish Folklore and Traditions Raphael Patai,2015-03-26 This multicultural reference work on Jewish folklore legends customs and other elements of folklife is the first of its kind Religious Legal Traditions, International Human Rights Law and Muslim States Kamran Hashemi,2008-08-31 This book offers an exploration of aspects of the subject Islam and Human Rights which is the focus of considerable scholarship in recent years predominantly from Western scholars Thus it is interesting and important to have the field addressed from a non Western perspective and by an Iranian scholar The study draws on Persian language literature that addresses both theological and legal dimensions of the theme The work is also distinctive in that it tackles three areas that have been largely ignored in the literature It undertakes a comparative study of the laws of several Muslim States with respect to religious freedom minorities and the rights of the child The study offers an optimistic vision of the fundamental compatibility of Islam and international human rights standards

Historical Dictionary of Yemen Charles Schmitz,Robert D. Burrowes,2017-10-25 Yemen has experienced wrenching changes that have transformed the country in yet unknown ways The country exploded in a popular revolution against the long time rule of Ali Abdallah Saleh While the country appeared to slip toward civil war Yemeni political elite rallied with international backers to put together a transitional government with a plan to revise the country s constitution The

transitional government began with a cautious sense of optimism and the prospect of substantial change for the better but ended in collapse because of a failure to govern. The politics of the street overran an ineffective transitional government that could not address the urgent concerns of Yemeni citizens for security and jobs. Instead populist leaders exploited people's dissatisfactions and threw the country into civil war. The Houthi organization covertly allied with its former enemy Ali Abdallah Saleh to overthrow the transitional government and declare war on the rest of the country. Saleh seems unable to conceive of life outside of the Presidential Palace and his Houthi allies appear to believe they are destined to rule. Unfortunately those opposed to Saleh and the Houthis also seem unable to provide effective rule in spite of massive backing from the Gulf States. The incompetence, infighting and incoherence of the Hadi government bode equally ill for the future of the country. The one hope may be that a new generation of Yemeni leaders emerges to displace the dismal failures of this one. This third edition of *Historical Dictionary of Yemen* contains a chronology, an introduction, appendixes and an extensive bibliography. The dictionary section has over 1000 cross-referenced entries on important personalities, politics, economy, foreign relations, religion and culture. This book is an excellent resource for students, researchers and anyone wanting to know more about Yemen. *The Yemenite Tradition of the Targum of Lamentations* A. van der Heide, 2022-07-11 [The Middle East Today](#) Dona J. Stewart, 2013. The new edition of *The Middle East Today* provides an accessible and comprehensive introductory textbook for undergraduate students of Middle East Studies. Middle East politics and geography. This updated and revised edition features a host of pedagogical features to assist students with their learning, including detailed maps and images, case studies on key issues, boxed sections and suggestions for further reading. The book highlights the current issues facing the Middle East, linking them to the rich political, geographical and cultural history of the region. The author examines the crises and conflicts both current and potential, likely to dominate the region in coming years. The second edition has been fully updated and revised to include discussion of such recent events as the effects of the Arab Spring, Turkey's growing influence in the region, the dramatic increase in Iran's nuclear capabilities, Usama bin Laden's death and declining support for violent extremist movements in the Middle East. Further supplemented by a companion website containing sample chapters, a selection of maps formatted for use in presentations and annotated links to online resources and websites. *The Middle East Today* is an essential resource for all students of Middle East Studies. Middle East politics and geography. [The Oxford Handbook of the Sociology of the Middle East](#) Armando Salvatore, Sārī Ḥanafī, Kieko Obuse, 2022. The *Oxford Handbook of the Sociology of the Middle East* integrates the study of the social dynamics in the Middle East within history, culture and politics. The volume transcends a purely regional perspective to investigate the global nature of these dynamics and their impact on the life of people in the region. It provides a comprehensive perspective in connecting the vexed state-society relations in the region with movements of transformation and the affirmation of rights and creativity in the public arenas. **Climate Change in the Middle East and North Africa** William R. Thompson, Leila Zakhirova, 2021-07-04

Environmental factors in the Middle East and North Africa MENA have played a crucial role in the historical and social development of the region The book delves into a broad set of historical literature from the past 15 000 years that neglected to consider environmental factors to their full effect Beyond the broad historic analysis the chapters derive conclusions for today s debate on whether climate change leads to more social conflict and violence Introducing a theoretical framework focused on adaptive cycling this book probes and refines the role of climate in ancient and modern political economic systems in the MENA region It also underscores just how bad the 21st century environment may become thanks to global warming While the MENA region may not survive the latest onslaught of deteriorating climate there is also some interest in how a region that once led the world in introducing all sorts of innovations thousands of years ago has evolved into a contemporary setting characterized by traditional conservatism poverty and incessant strife Emphasizing regional dynamics the book s central question deals with the role of climate change in the rise and decline of the MENA region The book will be a key resource to students and readers interested in global warming including academics and policymakers

Cultivating the Past, Living the Modern Amal Sachedina, 2021-09-15 *Cultivating the Past Living the Modern* explores how and why heritage has emerged as a prevalent force in building the modern nation state of Oman Amal Sachedina analyses the relations with the past that undergird the shift in Oman from an Ibadi shari a Imamate 1913 1958 to a modern nation state from 1970 onwards Since its inception as a nation state material forms in the Sultanate of Oman such as old mosques and shari a manuscripts restored forts national symbols such as the coffee pot or the dagger khanjar and archaeological sites have saturated the landscape becoming increasingly ubiquitous as part of a standardized public and visual memorialization of the past Oman s expanding heritage industry exemplified by the boom in museums exhibitions street montages and cultural festivals shapes a distinctly national geography and territorialized narrative But *Cultivating the Past Living the Modern* demonstrates there are consequences to this celebration of heritage As the national narrative conditions the way people ethically work on themselves through evoking forms of heritage it also generates anxieties and emotional sensibilities that seek to address the erasures and occlusions of the past
