Teaching the Silk Road Jacqueline M. Moore, Rebecca Woodward Wendelken, 2012-02-01 The romance of the journey along the Silk Road with its exotic locales and luxury goods still excites the popular imagination The trade route between China and Central Asia that flourished from about 200 BCE to the 1500s the Silk Road can provide great insight for contemporary higher education curricula Indeed with people plants animals ideas and beliefs traversing it the Silk Road is now considered both a metaphor of globalization and an early example of it *Teaching the Silk Road* highlights the reasons to incorporate this material into courses and shares resources to facilitate that process It is intended for those who are not Silk Road or Asian specialists but who wish to embrace a global history and civilizations perspective in teaching as opposed to the

more traditional world history view that shows impacts of other societies on Europe The work explores both classroom and experiential learning and is intentionally interdisciplinary Each essay focuses on pedagogical strategies or themes that teachers can use to bring the Silk Road into the classroom

Outline and Source Material for Small Business Education [1950] William Marvin Hoad,1951

Indians and English Karen Ordahl Kupperman,2000 In this vividly written book prize winning author Karen Ordahl Kupperman refocuses our understanding of encounters between English venturers and Algonquians all along the East Coast of North America in the early years of contact and settlement All parties in these dramas were uncertain hopeful and fearful about the opportunity and challenge presented by new realities Indians and English both believed they could control the developing relationship Each group was curious about the other and interpreted through their own standards and traditions At the same time both came from societies in the process of unsettling change and hoped to derive important lessons by studying a profoundly different culture These meetings and early relationships are recorded in a wide variety of sources Native people maintained oral traditions about the encounters and these were written down by English recorders at the time of contact and since many are maintained to this day English venturers desperate to make readers at home understand how difficult and potentially rewarding their enterprise was wrote constantly of their own experiences and observations and transmitted native lore Kupperman analyzes all these sources in order to understand the true nature of these early years when English venturers were so fearful and dependent on native aid and the shape of the future was uncertain Building on the research in her highly regarded book *Settling with the Indians* Kupperman argues convincingly that we must see both Indians and English as active participants in this unfolding drama

Dialogue in Early South Asian Religions Brian Black,Laurie Patton,2016-03-09 Dialogue between characters is an important feature of South Asian religious

literature entire narratives are often presented as a dialogue between two or more individuals or the narrative or discourse is presented as a series of embedded conversations from different times and places Including some of the most established scholars of South Asian religious texts this book examines the use of dialogue in early South Asian texts with an interdisciplinary approach that crosses traditional boundaries between religious traditions The contributors shed new light on the cultural ideas and practices within religious traditions as well as presenting an understanding of a range of dynamics from hostile and competitive to engaged and collaborative This book is the first to explore the literary dimensions of dialogue in South Asian religious sources helping to reframe the study of other literary traditions around the world

The Unaccommodated Calvin : Studies in the Foundation of a Theological Tradition Richard A. Muller P. J. Zondervan Professor of Historical Theology Calvin Theological Seminary,2000-01-31 This book attempts to understand Calvin in his 16th century context with attention to continuities and discontinuities between his thought and that of his predecessors contemporaries and successors Muller pays particular attention to the interplay between theological and philosophical themes common to Calvin and the medieval doctors and to developments in rhetoric and method associated with humanism

Transmitting Authority Ding Xiang Warner,2014-05-15 Transmitting Authority investigates the rise and fall of the cultural currency of the Confucian teacher Wang Tong ca 584 617 a k a Master Wenzhong in the five centuries following his death by examining the textual and social history of the Zhongshuo which purports to record Wang Tong s teachings Incorporating theories and methodologies from textual criticism the history of the book and cultural studies Warner reveals evidence of the Zhongshuo s textual fluidity during the Tang and early Song dynasties and argues that this fluidity attended the shifting terms of the Zhongshuo s cultural value for medieval China s literati culture In doing so Warner offers scholars a model for the study of other works whose textual problems and historical significance have hitherto seemed inscrutable

The Politicization of Islam Kemal H. Karpat,2001-05-03 Combining international and domestic perspectives this book analyzes the transformation of the Ottoman Empire over the nineteenth and twentieth centuries It views privatization of state lands and the increase of domestic and foreign trade as key factors in the rise of a Muslim middle class which increasingly aware of its economic interests and communal roots then attempted to reshape the government to reflect its ideals

Witcraft Jonathan Rée,2019-08-20 An ambitious new history of philosophy in English that broadens the canon to include many lesser known figures Ludwig Wittgenstein once wrote that philosophy should be written like poetry But philosophy has often been presented more prosaically as a long trudge through canonical authors and great works But what Jonathan R e asks if we instead saw the history of philosophy as a haphazard series of unmapped forest paths a mass of individual stories showing

endurance inventiveness bewilderment anxiety impatience and good humor Here Jonathan Re brilliantly retells this history covering such figures as Descartes Locke Kant Hegel Marx Nietzsche Mill James Frege Wittgenstein and Sartre But he also includes authors not usually associated with philosophy such as William Hazlitt George Eliot Darwin and W H Auden Above all he uncovers dozens of unremembered figures puritans revolutionaries pantheists feminists nihilists socialists and scientists who were passionate and active readers of philosophy and often authors themselves Breaking away from high altitude narratives he shows how philosophy finds its way into ordinary lives enriching and transforming them in unexpected ways
