The Collected Essays of Josephine J. Turpin Washington Josephine Turpin Washington,2019-02-01 Newspaper

journalist teacher and social reformer Josephine J Turpin Washington led a life of intense engagement with the issues facing African American society in the post Reconstruction era This volume recovers numerous essays many of them unavailable to the general public until now and reveals the major contributions to the emerging black press made by this Virginia born Howard University educated woman who clerked for Frederick Douglass and went on to become a writer with an important and unique voice Written between 1880 and 1918 the work collected here is significant in the ways it disrupts the nineteenth century African American literary canon which has traditionally prioritized slave narratives It paves the way for the treatment of race and gender in later nineteenth century African American novels and engages Biblical scriptures and European and American literatures to support racial uplift ideology It also articulates shrewdly the aesthetic needs and responsibilities necessary for the black press to establish a reputable literary sphere Part of a vibrant movement in recent scholarship to reclaim writings of nineteenth century African American women writers this expertly edited and annotated collection represents not only a valuable scholarly resource but a powerful example of the determination of a southern black woman to inspire others to improve their own lives and those of all African Americans **The Oxford Handbook of**

Shakespeare Arthur F. Kinney, 2012 Contains forty original essays **Cracked Classics** Tony Abbott, 2018-07-10 When two sixth grade friends magically enter classic literary books their fun filled adventures are a treat for reluctant readers School Library Journal They just didn't want to read the books Instead through their school library's magic security gates sixth graders Devin and Frankie short for Francine are zapped into great works of literature and new worlds of adventure including Dracula The Adventures of Tom Sawyer Around the World in Eighty Days A Christmas Carol Treasure Island and Romeo and Juliet The message that reading is important and can be fun comes through loud and clear School Library Journal Trapped in Transylvania Transported into Bram Stoker's vampire classic the sarcastic sixth graders will need a few stakes a lot of garlic and a sharp sense of humor to defeat the bloodthirsty Count Dracula Mississippi River Blues These modern middle schoolers learn being a troublemaker is timeless as they whitewash a fence run away from home solve a murder become pirates and search for hidden treasure along with Tom and Huck the original slackers What a Trip When you can travel into books going around the world is easy In the company of mad explorer Phileas Fogg Devin and Frankie embark on a round the world journey by train ship and hot air balloon Humbug Holiday For two sixth graders who feel about school the way Scrooge feels about Christmas an enchanted trip into Charles Dickens's tale is just what their spirits need X Marks the Spot Devin and Frankie become marooned middle schoolers when they are swept away to Treasure Island and must match wits with legendary pirate Long John Silver Crushing on a Capulet Devin and Frankie try to save star crossed lovers Romeo and Juliet when they find themselves in Shakespeare's classic play **Crushing on a Capulet** Tony Abbott, 2014-07-01 Sixth graders Devin and Frankie try to save star crossed lovers Romeo and Juliet when they're magically transported into Shakespeare's classic play When their teacher assigns Devin and Frankie short for Francine the lead roles in their class

production of Romeo and Juliet the two best friends aren't thrilled. How are they supposed to say their lines when they don't even sound like they were written in English? Luckily the library's magic security gates come to their rescue again and they leap into Shakespeare's famous tragedy. Unfortunately they land right in the middle of a sword fight between two warring families, the Montagues and the Capulets. When they find out that Romeo Montague has fallen in love with Juliet Capulet, Devin and Frankie decide it's up to them to make sure this unlikely couple lives happily ever after. But can they change the book's tragic end and save the young lovers from their fate? The message that reading is important and can be fun comes through loud and clear. *School Library Journal* writes: "The short chapters make this an ideal read aloud and a treat for reluctant readers." Shakespeare Quiz Book Fannie Gross, 1959 2000 QUESTIONS AND ANSWERS ON ALL OF SHAKESPEARE'S PLAYS *Gender Complementarity and Christian Personalism* Mary Veronica Sabelli, John P. Hittinger, 2025 When in the 1970's Sister Prudence Allen RSM began to investigate philosophical thought on woman, the question was considered to be at best a marginal area for philosophical research. Rather, it was seen as a sociological, anthropological, psychological, or political issue. This book confirms that today, partly due to Allen's groundbreaking work, the complementarity of man and woman is an important and fruitful area of research in philosophy, providing an evaluative framework that enriches and challenges many other disciplines. No one could have foreseen the centrality of her research for questions of gender theory that are in the third decade of the 21st century in the forefront of public attention. In the present volume, leading authors in the area of sex/gender complementarity reflect upon and further develop various aspects of Allen's research. In 14 original scholarly essays, some contributors build upon Allen's project of exploring the concept of woman throughout the history of philosophy. Others explore the work of 20th-century philosophers, most of them Christian Personalists, whom Allen credits with significant influence on the development of integral gender complementarity, such as Karol Wojtyła, John Paul II, Jacques Maritain, Edith Stein, Emmanuel Mounier, W. Norris Clarke, SJ, and Bernard Lonergan, SJ. Still other contributors consider Marian spirituality, analogies between Benedictine spirituality and the physiological realities of a woman's body during pregnancy, seminary education in the writings of Allen and others, and the impact of Allen's work on the real lives of women in families, the Church, and professional life. Upon completing her magisterial three-volume work *The Concept of Woman*, Allen passed the baton to a new generation of scholars, stating: "The next phases will be developed by those who themselves take the argument further and deeper in their own research, writing, living, and lecturing." The present volume takes up the baton, carrying Allen's work forward and paying tribute to the lifetime achievement of a great scholar. *Romeo and Juliet* John F. Andrews, 2015-05-08 Originally published in 1993, this collection brings together scholarship relating to the language, performance, and impact of the play. Ordered in three parts, the chapters cover analysis, reviews, and interpretation from a wide-ranging array of sources, from the play's contemporary commenters to

literary critics of the early 1990 s The volume ends with an article by the editor on the action in the text which concludes the final section of 8 pieces looking at the story as being a product of Elizabethan Culture It considers the attitude to the friar to morality and suicide the stars and fate and gender differences Comparisons are made to Shakespeare s source as well as to productions performed long after the Bard s death

A Guide for Using Romeo and Juliet in the Classroom, Based on the Novel Written by William Shakespeare Mari Lu Robbins,2001 **Shakespeare's Tragedy of Hamlet** William Shakespeare,1879
