McCann, 2008-07-28 A guidebook for wives wanting to connect with their soul mate **Training the Husband** Melissa Fogle, 2017-03-29 A humorous look at being an eshausted wife with a hint or maybe more than a hint of sexism **A Clergy Husband's Survival Guide** Matthew Caminer, 2012-10-18 Women now comprise almost half the priests serving in the Church of England As a result there are many male clergy spouses who have had to come to terms with the seismic shift that occurs in family life when a wife embarks on the journey from exploration of vocation through selection training and formation to ordination and a life of ministry The author had his own busy career when he suddenly found himself playing second fiddle rather than being the doer in the household Not only did this subtly affect his marriage but as friends and acquaintances became parishioners he was required to respect boundaries to be discreet and often to carry the burden of unsought confidentiality Drawing on these experiences and those of many fellow clergy spouses this volume is a practical informative and engaging guide to the joys and challenges of being married to a vicar Part one deals with the process from initial call to ordination and beyond Part two helps clergy husbands work through what their new role might involve Part three looks at lifestyle and family issues while Part four offers support and sensible advice if things go wrong *Becoming Your Husband's Best Friend* David Frisbie, Lisa Frisbie, 2011-01-01 Would you like to help your husband become more attentive loving and helpful around the house Do you long for a new level of partnership and fun in your marriage You can make a tremendous difference in your relationship all by yourself by inviting God to begin the change in you Discover how wives like you have transformed their homes by recognizing the role unspoken expectations play in every marriage releasing their unresolved emotions to allow for greater intimacy choosing the right words and actions to encourage their husbands Whether your husband is a prince or a pain in the neck the best way to empower him to grow is to experience God s life giving touch in your own heart These inspiring stories and biblical insights demonstrate how that happens and how you can become a better friend than your husband ever imagined Questions for reflection and ideas for journaling make this a perfect tool for a woman s personal healing as well as group study Railed On The Train Behind My Husband's Back Sara King, 2024-09-17 Bored with the monotony of my marriage I never imagined finding passion and adventure on a train ride But when a handsome stranger catches my eye and sparks fly I can t resist following him into the secluded bathroom for a wild encounter that will leave me breathless Leaving behind the mundane and unleashing my deepest desires I surrender to the intense pleasure of a mature and experienced lover while my husband sits just feet away This steamy journey will unlock a world of erotic fulfilment that I never knew existed until now Get ready for a hot and steamy standalone tale of forbidden temptation and submission with a HEA that will leave you
