ideologues at The Heritage Foundation produced a primer on the Reagan Revolution entitled *Mandate for Leadership* which  
offered an overarching philosophy against the role of government and in favor of markets This volume produced by the  
Institute for Policy Studies which since 1963 has been the nation's leading progressive policy organization offers a set of  
specific policy proposals for the incoming national administration on every major domestic and international topic written  
specifically for the book by a leading thinker and activist in the field These chapters set forth a fundamental badly needed

 Alexandra Natapoff,2018-12-31 A revelatory account of the misdemeanor machine that unjustly brands millions of Americans  
 as criminals Punishment Without Crime offers an urgent new interpretation of inequality and injustice in America by  
 examining the paradigmatic American offense the lowly misdemeanor Based on extensive original research legal scholar  
 Alexandra Natapoff reveals the inner workings of a massive petty offense system that produces over 13 million cases each  
 year People arrested for minor crimes are swept through courts where defendants often lack lawyers judges process cases in  
 mere minutes and nearly everyone pleads guilty This misdemeanor machine starts punishing people long before they are  
 convicted it punishes the innocent and it punishes conduct that never should have been a crime As a result vast numbers of  
 Americans most of them poor and people of color are stigmatized as criminals impoverished through fines and fees and  
 stripped of drivers licenses jobs and housing For too long misdemeanors have been ignored But they are crucial to  
 understanding our punitive criminal system and our widening economic and racial divides A Publishers Weekly Best Book of
