Traffic Report Kuala Lumpur:

Journal of Transportation and Statistics , *World Report on Road Traffic Injury Prevention* M. M. Peden, World Health Organization, 2004-03-23 Every day thousands of people are killed and injured on roads around the world with the costs of this growing but largely preventable public health concern disproportionately affecting vulnerable social groups and developing countries In order to address these issues the World Health Organization and the World Bank have produced this joint report on road traffic injury prevention based on the collaborative contributions of experts and institutions from all continents and different sectors including transport engineering health police education and civil society It presents a comprehensive overview of the magnitude risk factors and impact of road traffic injuries and about ways to prevent and lessen the impact of road crashes

Transportation, Traffic Safety and Health — Prevention and Health Hans v. Holst, Ake Nygren, Ake E. Andersson, 2012-12-06 Rodney E Slater Secretary of Transportation U S Department of Transportation know many of you have traveled great distances to be here I To me that shows not only your dedication to the cause but demonstrates how very important transportation safety is becoming throughout the world So I am very thankful to the main organizers of this third annual conference all of whom are from Sweden Dr Hans von Holst of the Royal Institute of Technology Dr Ake Nygren of the Karolinska Institute Dr Ake E Andersson of the Institute for Futures Studies and finally Dr Arne Witt16v and Lars Anell from AB Volvo And let me give a special welcome to our friends from Africa I will be visiting a number of African nations in January And while my main mission is to promote trade and investment with the United States we will be talking about safety too Airline safety for example is a big concern as Africa grows and prospers and the demand for air travel expands We discussed it during recent meetings of the International Civil Aviation Organization in Montreal several weeks ago And we will do so again during my trip plan to talk about how my department can help the Also we many nations of Africa improve highway safety Africa relies heavily on road transportation But highway fatalities are very high And the economic costs are very steep especially for Africa s fragile emerging v market economies
