## **Traffic Report M25 Junction:**

*Greetings from Ghana* M. J. Poynter, 2008-07-08 *Greetings from Ghana* is a comical tale set in the city of Accra in 2002. Inspired by real life events this autobiographical novel is an action packed adventure of endless mishaps and mayhem. The story begins in the English countryside from where M J Poynter takes the reader on a rip roaring journey into Ghana and through the bustling streets of Accra. Set in a tropical paradise under the blazing heat of the African sun the author travels around the affluent suburbs along the highways and into the city's red light districts. Here he meets an array of colourful characters who add to the story's sense of mystery and intrigue. The author's use of vivid description captures the vibrancy of African life and depicts the trials and tribulations which many of its people face. Told through a series of amusing anecdotes *Greetings from Ghana* is an inventive tale which brings the city of Accra to life.

**The Body Under the Bridge** Nick Louth, 2020-04-30 DCI Craig Gillard will be pushed to his limits. But will he break? It seems like a routine disappearance, a case of musician's stage fright. As a senior detective, Craig Gillard isn't sure why he's even involved. Until it turns out the woman's father is the German Minister of Justice and the British Home Secretary is on the case too. But nothing about the case is simple. How does a woman on a train simply vanish? What do you do when a trail runs cold and the pressure is on? Before long the perpetrator has another target: DCI Gillard himself. What if the detective isn't just running the case but is part of it? The victim merely a lure for a bigger fish. The answer is under the bridge. The chilling setting for the biggest challenge of his life. The latest DCI Gillard Crime Thriller is a knockout, fast and completely gripping, perfect for fans of Stuart Macbride, Mark Billingham and Robert Bryndza. Readers are hooked on *The Body Under the Bridge*. I couldn't turn the pages quickly enough firstly to find out who'd committed the crimes and then if they'd be brought to justice. It's a cracker of a book and I thoroughly enjoyed it. Reader review: I say this every time but this hands down is my favourite book in the series so far. I was glued from the beginning and kept finding ways to squeeze in one more chapter until I'd reached the end. Reader review: This is book 5 in the DCI Craig Gillard series and dare I say this it is THE best yet. Wow, the content of this plot is absolutely mind boggling, so intricately woven through the fast paced investigation the reader is right there alongside Craig and his team as they navigate all the twists and turns of this cleverly constructed story. Excellent writing, dialogue and characterisation. You just don't know what's going to happen next, there really are some extremely harrowing and heart stopping moments. Reader review: *The Body Under the Bridge* sets a pace few can match. I devoured it. Reader review: Another book in the Craig Gillard series that gets better as the series evolves. There are many surprises and twists in this book making it difficult to put down. A really enjoyable read. Reader review: *Advanced Studies in Media* Joe Nicholas, John Price, 1998 *Advanced Studies in Media* has been designed to offer a comprehensive and stimulating textbook for all students on advanced level media studies and communications studies courses.
