

Native Americans History: Trail of Tears

✓ Exclusively available on IvyPanda

Trails of Tears is often referred to as the American Holocaust. The Trail Of Tears is the battle between European settlers and the American Indians. Native Americans were treated with great disrespect and manipulation by the Europeans, referred to as the "White man." "In 1835 the Treaty of New Echota was signed by a "Treaty Party" of about 100 Cherokees. In this agreement, Cherokees gave up all claim to lands east of the Mississippi River in exchange for land in the Indian Territory and the future promise of money, livestock, tools, and other provisional support.

This treaty signing and the subsequent removal led to bitter factionalism within the Cherokee Nation and the eventual deaths of many of the Treaty Party leaders. Regardless of the opposition and disagreements of the Cherokee, Georgia and the US Government's viewpoint prevailed and the New Echota treaty was used to justify their removal. In the summer of 1838, the US Army began enforcement of the Removal Act. Cherokees were rounded up and temporarily held in stockades. 3,000 Cherokees were loaded onto boats to travel the Tennessee, Ohio, Mississippi Rivers, and on to Arkansas into Indian Territory. Over 14,000 other Cherokee remained in the prison camps until the winter of 1838-39.

Then they were marched 1,200 miles through Tennessee, Kentucky, Illinois, Missouri, and Arkansas to their new home. The Cherokee endured torrential rains and other inclement weather conditions, inadequate food and water, and lacked proper clothing. It is estimated that at least 4,000 died of starvation, exposure, and disease" (The Topic- Trail of Tears). Therefore, The Trail of Tears was a battle between the Europeans and Native Americans, often referred to as the American Holocaust because it completely outcast a group of people due to the fact they were different, which was what the original Holocaust was all about.

Native Americans were forced off their land which was the beginning of the "Trail of Tears.". Three thousand Cherokee and Creek men, women, and children moved west through Marion County. From they were well dressed while riding horses however many of the women had only a blanket wrapped around them. Those with babies had them strapped in cloth attached to their backs (Ehle 1999). In history stories of the trail of tears, the chief is portrayed as a person in denial, which may have contributed to their

Trail Of Tears Essay

Reconstruction and Mormon America Clyde A. Milner, Brian Q. Cannon, 2019-10-03 The South has been the standard focus of Reconstruction but reconstruction following the Civil War was not a distinctly Southern experience In the post Civil War West American Indians also experienced reconstruction through removal to reservations and assimilation to Christianity and Latter day Saints Mormons saw government actions to force the end of polygamy under threat of disestablishing the church These efforts to bring nonconformist Mormons into the American mainstream figure in the more familiar scheme of the federal government s reconstruction aimed at rebellious white Southerners and uncontrolled American Indians In this volume more than a dozen contributors look anew at the scope of the reconstruction narrative and offer a unique perspective on the history of the Latter day Saints Marshaled by editors Clyde A Milner II and Brian Q Cannon these writers explore why the federal government wanted to reconstruct Latter day Saints when such efforts began and how the initiatives compare with what happened with white Southerners and American Indians Other contributions examine the effect of the government s policies on Mormon identity and sense of history Why for example do Latter day Saints not have a Lost Cause Do they share a resentment with American Indians over the loss of sovereignty And were nineteenth century Mormons considered to be on the wrong side of a religious line but not a race line The authors consider these and other vital questions and topics here Together and in dialogue with one another their work suggests a new way of understanding the regional racial and religious dynamics of reconstruction and within this framework a new way of thinking about the creation of a Mormon historical identity

Tennessee Frontiers John R. Finger, 2001-11-13 A comprehensive history of the Volunteer State s formation from the prehistoric era to the closing of the frontier in 1840 This chronicle of the formation of Tennessee from indigenous settlements to the closing of the frontier in 1840 begins with an account of the prehistoric frontiers and a millennia long habitation by Native Americans The rest of the book deals with Tennessee s historic period beginning with the incursion of Hernando de Soto s Spanish army in 1540 John R Finger follows two narratives of the creation and closing of the frontier The first starts with the early interaction of Native Americans and Euro Americans and ends when the latter effectively gained the upper hand The last land cession by the Cherokees and the resulting movement of the tribal majority westward along the Trail of Tears was the final decisive event of this story The second describes the period of Euro American development that lasts until the emergence of a market economy Though from the very first Anglo Americans participated in a worldwide fur and deerskin trade and farmers and town dwellers were linked with markets in distant cities during this period most farmers moved beyond subsistence production and became dependent on regional national or international markets Two major themes emerge from Tennessee Frontiers first that of opportunity the belief held by frontier people that North America offered unique opportunities for advancement and second that of tension between local autonomy and central authority which was marked by the resistance of frontier people to outside controls and between and among groups of whites and Indians Distinctions of class and gender separated frontier elites from lesser whites and the struggle for control divided the elites themselves Similarly native society was riddled by factional disputes over the proper course of action regarding relations with other tribes or with whites Though the Indians lost in fundamental ways they proved resilient adopting a variety of strategies that delayed those losses and enabled them to retain in modified form their own identity Along the way the author introduces the famous personalities of Tennessee s frontier history Attakullakulla Nancy Ward Daniel Boone John Sevier Davy Crockett Andrew Jackson and John Ross among others They remind us that this is the story of real people who dealt with real problems and possibilities in often difficult circumstances Finger draws on his rich research into the Southern frontier to illuminate not only Tennessee s three physiographic zones but also their spheres of interaction The author skillfully summarizes and illustrates the complexity of Tennessee s frontier history addressing issues of leadership Jackson versus all rivals land speculation ever dominant and Indian affairs where he is at his best Like the late Stanley Folmsbee Finger knows the three Tennessees linguistically geographically politically socially and economically fortunately for the reader he has constructed a well balanced account of them all Maps charts illustrations and 48 pages of sources enhance the

volume s usefulness for collections on the American frontier All levels and collections J H O Donnell III **CliffsNotes**

Praxis II: Middle School Social Studies (0089) Jocelyn L Paris,2012-04-24 The only stand alone test prep product for this important exam Subject reviews of every topic covered on the test Includes two full length practice tests with detailed answer explanations Other titles by Jocelyn L Paris CliffsNotes Praxis II Elementary Education and CliffsNotes Praxis II Fundamental Subjects Content Knowledge *The Cherokees and Christianity, 1794-1870* William G. McLoughlin,2008 In *The Cherokees and Christianity* William G McLoughlin examines how the process of religious acculturation worked within the Cherokee Nation during the nineteenth century More concerned with Cherokee Christianization than Cherokee civilization these eleven essays cover the various stages of cultural confrontation with Christian imperialism The first section of the book explores the reactions of the Cherokee to the inevitable clash between Christian missionaries and their own religious leaders as well as their many and varied responses to slavery In part two McLoughlin explores the crucial problem of racism that divided the southern part of North America into red white and black long before 1776 and considers the ways in which the Cherokees either adapted Christianity to their own needs or rejected it as inimical to their identity *Tuning Into Mom* Michal Clements,Teri Lucie Thompson,2011 American mothers are household CFOs in charge of an estimated 2 45 trillion in direct spending They are also an important influence on other family members buying habits Many organizations have identified moms as an important customer group but the broad age based definitions these companies work with mask an array of different consumer behaviors Written by two leading marketers this book provides a new approach to understanding the American Mom market examining the mom s influence on or control of the purchasing habits of children of all ages from infants and toddlers to young adults and bring focus to the frequently overlooked purchase influence of moms on teenagers The authors combine large scale quantitative research of more than 4 700 mothers with qualitative case studies from individual participants Highly recommended for practitioners in retailing and product development this book will also be a valuable supplemental text for college courses in consumer behavior and marketing strategy **Reading, Thinking, and Writing About History** Chauncey Monte-Sano,Susan De La Paz,Mark Felton,2014-04-01 This practical guide presents six research tested historical investigations along with all corresponding teacher materials and tools that have improved the historical thinking and argumentative writing of academically diverse students **Taiwan Literature in the 21st Century** Chia-rong Wu,Ming-ju Fan,2023-02-03 This book is an anthology of research co edited by Dr Chia rong Wu University of Canterbury and Professor Ming ju Fan National Chengchi University This collection of original essays integrates and expands research on Taiwan literature because it includes both established and young writers It not only engages with the evolving trends of literary Taiwan but also promotes the translocal consciousness and cultural diversity of the island state and beyond Focusing on the new directions and trends of Taiwan literature this edited book fits into Taiwan studies Sinophone studies and Asian studies
