

Trailer Life

2001 TOWING GUIDE

This year's Towing Guide is the biggest ever, surpassing last year's listing by nearly two-fold. It's hard to believe, but manufacturers have yet to run out of ideas for new models and technology to stuff into these rugged vehicles, and there doesn't appear to be an end in sight. To keep the 2001 Tow Ratings from growing larger than the national debt, we've excluded any vehicles that can tow less than 2000 pounds. And while every effort has been made to ensure the accuracy of all ratings, keep in mind that much of the information we receive is preliminary, and may have changed slightly by the time you visit your dealer's showroom. When in doubt, consult the manufacturer's towing guide, available at your dealership — it's the final word.
