

When training new facilitators...

Keep it simple

Work with a few basic tools such as a talking piece, 1-2-4-all, or World Café.

Connect to experience

Create spaces for learners to share what they already know works and does not work in groups.

Practice, practice, practice

Design activities for learners to practice, fail, learn, repeat.

Open the door to a new world

Aim to strike a balance between empowerment and realism.
“I can do this! And also, there is a lot more to learn.”
