Real Women Lisa Troyer, Dawn Yoder, 2014-01-24 Today s marketplace is not always a values friendly environment Business leaders Lisa Troyer and Dawn Yoder show you that you can live and thrive in a valueless workplace when you live by biblical values and principles Real Women Leading with Proverbs 31 Values is a must have leadership resource for today s Christian woman Written by women in the marketplace Real Women cultivates biblical truth credible relationship development and practical application into everyday life through ten foundational principles Once women embrace these ten principles they will soon discover the multiple attributes of the Proverbs 31 woman in today s marketplace and learn practical ways to implement the wisdom from that timeless Scripture passage Women will be encouraged to develop their God given gifts and talents in the marketplace as they live out the principles that invite others to embrace the equality

inspiring values they live by Knowing that we are not the end users of the gospel message the Proverbs 31 leader will find the initiative to inspire the upcoming generation to view womanhood as a gift and continue the learning process that will impact generations to come

In It for the Long Haul Glenn E. Ludwig,2002-01-01 When pastors and congregations come together in ministry they generally do so with the hope that the relationship will be long lasting and dynamic The reality however is that long term pastorates are an increasingly rare phenomenon in congregations White there are many reasons that most pastors can only sustain their ministries in a parish for a relatively limited number of years Glenn Ludwig argues that this does not have to be the case if both pastors and congregations take deliberate steps toward an enduring friendship

From Discord to Harmony LaVena Wilkin,Tony Belak,2020-02-01 Conflicts happen and the workplace can be a cacophony for competing interests Consider that organizational culture is an ensemble of shared values beliefs assumptions perceptions and norms Organizations are not solos They are an accompaniment of individuals departments and divisions and each is competing for scarce resources Measure in a little power imbalance and organizational political posturing Then scale in the fact that today s managers are faced with diversity and cultural issues ranging from race and gender to individual ethnicity principles and philosophies about which employees are more vocal All this discord can strike a sharp note of dissonance However effective resolutions can change this discord to harmony Consider that music is not a single note Rather it is the silence between the notes that makes beautiful music and conflict is that silence Unfortunately conflict has a bad reputation and it is often labeled as disagreement fighting or arguing that leads to stress retaliation and resentment Some managers spend a disproportionate amount of their workdays dealing with conflicts They have not learned what causes conflicts or how to productively manage them As a result they often avoid or force outcomes causing discord fractured relationships loss of productivity and even lawsuits Learning to fine tune inevitable conflicts will help managers orchestrate a more harmonious workplace From Discord to Harmony Making the Workplace Hum is largely evidence based and many of the chapters contain cutting edge research by experts in their respective fields

Influencing, Personal and Leadership Skills Dean Amory,2014-05-14 Practical training manual on influencing interpersonal skills and leadership Applying the skills set forth in this guide will enhance your relationships with colleagues higher management and subordinates allow you to more comfortably achieve your goals and boost your career by fortifying your reputation as a loyal trustworthy and respected staff member
