It considers the pros and cons of puppies, senior pedigree and rescue dogs and explains why one might suit an individual more than another. The book equips the reader with all the right questions they need to ask before they choose a dog and shows them how to find a responsible breeder or rescue centre. It teaches how to avoid the pitfalls of getting the wrong dog from the wrong place and shows you how to spot and avoid a puppy farmer. It also explains the legal responsibilities of dog ownership and covers the range of hobbies and activities owners and dogs can enjoy together. At each stage of the book, Vanessa's advice is complemented by comment from canine experts such as trainers, behaviourists, breeders and those involved in rescue. Happy dog owners and foster carers also add their experience. In the final section, the book guides you through the settling-in period, discussing early training, socialisation and vet care so your first month together can be as smooth as
