## **Traitor A Jew A Book A Miracle:**

*Traitor?* Jacob Gartenhaus, 2014-11-04 Why would a rigidly Orthodox Austrian Jew groomed to become a rabbi jeopardize his career suffer rejection by family and friends struggle to send himself through Christian schools and compel himself to be called a Traitor As a young man Jacob Gartenhaus experienced a growing unrest with the Orthodox Judaism of his heritage After much searching for the truth as revealed in God s Word he was convinced that Jesus was the Messiah of his people and their only hope Overwhelmed with the joy of his new knowledge Gartenhaus was determined to share the good news with his people He was driven by two goals to win Jews to the Savior and to fight anti Semitism Following his graduation from Moody Bible Institute and Southern Baptist Theological Seminary he received a call from the Home Mission Board of the Southern Baptist Convention to head the Department of Jewish Evangelism For twenty eight years while in that position he gained the respect of both Jewish and Christian leaders Gartenhaus was among the first who recognized Hitler s true intentions preceding World War II but he was called an alarmist and was asked to drop his propaganda When his ministry began to expand into other countries Dr Gartenhaus founded International Board of Jewish Missions Inc a worldwide outreach that now includes many workers on six continents Dr Gartenhaus s exciting autobiography is a moving account of the cost sacrifice and dedication of his more than sixty years as a good will ambassador to both Christians and Jews *Witnessing to Jews* Moishe Rosen, Ceil Rosen, 1998 [The Heart of Wisdom Teaching Approach](#) Robin Sampson, 2005-04 Details the Bible based homeschool teaching approach for parents and discusses Christian education learning styles unit studies bible study and more *Two Covenants* Eliza McGraw, 2005-07-01 Jews have long occupied visible roles in the South Jewish families have owned establishments ranging from dry goods stores to Thomas Jefferson s Monticello and some of the region s most important writers and scholars have been Jewish Yet surveys of southern culture rarely assess the contributions of Jews while histories of Jews in America virtually exclude those living in the South Eliza R L McGraw s multifaceted study fills both gaps and in doing so expands how we define the South In *Two Covenants* McGraw mines eclectic representations of Southern Jewishness as varied as the Carolina Israelite newspaper the Mardi Gras Krewe du Jieus southern Baptist conversion instruction pamphlets and the film *Driving Miss Daisy* She also considers literary representations of southern Jews in the works of both Jewish and non Jewish writers including Thomas Wolfe Robert Penn Warren Walker Percy Lillian Hellman David Cohn Louis Rubin Jr Eli Evans James Weldon Johnson Jean Toomer and Charles Chesnutt While concerned with established concepts such as ethnicity and region McGraw raises many questions that illustrate the complexity of southern Jewishness Can one individual straddle two identities How do race class and gender influence southern Jewishness What are the differences between southern Jews and other southerners or between southern Jews and other Jews Does anti Semitism manifest itself differently or with unique effects in the South In suggesting answers to these and other questions McGraw ranges widely over the southern cultural landscape and reveals that although southern Jewishness remains a marginal

identity due to the small size of its constituency it nevertheless inhabits and helps to form the South at large The very presence and vitality of southern Jewishness demonstrate that southern identity like national identity is a fluid cultural experience

**Isaiah 53** Gerald Sigal, 2007-05-10 Who is the servant of Isaiah 52 13 53 12 Answering this question is what this study is all about Through the centuries countless commentaries have been written tracts have been distributed debates have raged over the identification of the servant in this passage Here we investigate the evidence presented over the last 2000 thousand years for the two leading candidates for this role of servant of the Lord The two are Jesus and the Jewish people Christians see in this passage the literal fulfillment by Jesus of all it contains Jews see it in its plain meaning as a historical overview of Jewish history and the suffering to be endured by the nation of Israel until the final redemption Source materials used by opposing sides in discussing this passage are thoroughly reviewed In particular each verse in the passage is studied in depth But the purpose of this volume is not simply to have an intellectual discussion of the issues involved Its intent is to make it an unavoidable issue for Christians that there are very real disqualifications of Jesus from being the suffering servant and to identify the subject of the servant passage as none other than the nation of Israel Furthermore we seek to educate Jews so they do not fall prey to those who would have them believe Jesus is the Messiah
