Tracking Ancient Legends Alan Dale Daniel, 2013-09-27 Can we logically combine recent research on human origins with ancient legends of floods paradise lost and cloud clad gods destroying civilizations Yes says author Alan Daniel who has thoughtfully joined key primordial legends with mitochondrial DNA research archeological and anthropological finds and geological evidence in *Tracking Ancient Legends* DNA evidence shows a small band of humans crossed out of Africa into Eurasia about 100 000 BC however why is lost to the primordial mists But the why may be answered by primeval legends overlooked until now The author theorizes that prehistoric legends may explain the flight from Africa The model set forth is fascinating as well as epic in scope Competing theories are examined including the ancient astronaut concepts and the foundations of theory itself Are aliens from other worlds the source of our legends or is something much more earthly and surprising the groundwork of our legendary past

Human Rights and Drug Control Saul Takahashi, 2016-08-11 It has become almost accepted knowledge within international policy circles that efforts against drug trafficking and drug abuse violate human rights and that the entire international drug control regime needs to be changed or even discarded altogether to adopt a more rights respecting approach Though this view has been promoted by many prominent figures and organisations the author of this book uses his expertise in both human rights and drug control to show that the arguments advanced in this area do not stand close scrutiny The arguments are in fact based on selective and questionable interpretations of international human rights standards and on a general notion more and more clearly stated that there is a human right to take drugs and that any effort to combat drug abuse by definition violates this right There is no such right in international law and the author objects to the misuse of human rights language as a marketing tool to bring about a back door legalisation of drugs Human rights issues must be addressed but that in no way means that the international drug control regime must be discarded or that efforts against drugs must be stopped

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book
