Phoenix Hot Tub Manual:

Phoenix rising from the Ashes of God J. Walker, Interview with Jesus in the Hot Tub J. Lamah Walker, 2011-07-18 Not since the time of Martin Luther has one man alone laid the groundwork for what might be most appropriately designated as a spiritual and or religious revolution Had Martin Luther possibly lived in our own time of such noble scientific discoveries and above all our almost total access to the seemingly infinite amount of present as well as historical information that seemingly lies at our fingertips on that more than infamous home computer then the very true spirit of one Martin Luther might just as well be known to all as J Lamah Walker Dr Walker who prefers to simply be called by his middle name of Lamah or J Lamah has only recently finished his life's literary manuscripts on the coming of this Age of Reality He had opted to put off any publication of his dedicated works until he had finished all six books on the Age of Reality along with a thorough autobiography because he simply did not want to be burdened with the demands of some very anxious literary agent or publisher trying to meet some unknown deadlines Lamah has now chosen to publish his life's work and One Baptist minister said after reading *Shamans of San Damiano* that it was one of the best takes on his theology that he had ever encountered and had asked Lamah to please consider writing a sequel As this minister put it I am already missing this very unique and inspirational cast of characters and their incredibly special spiritual mission And very truthfully all six books suggest this very same theology The Illiberal Manifesto J.
