You've Been Made for so Much More Rhonda Jennifer, 2019-10-30 Have the tragedies of your life kept you stuck Have you been conditioned to devalue yourself Do you feel unworthy of love and happiness You have come to your valuable space that will accelerate you into the wholeness you have desired There is nothing too complicated for God to reshape into a win You deserve victories in your life God loves you Jesus loves you far beyond mere words The pain the struggles and the heartbreak you have endured God will guide you to set you free from every oppression and repeated cycle You've Been Made For So Much More is the first of the No More Crumbs Christian non fiction empowerment series Providing practical tools for healing and encouragement that is intended to provide hope for others to accept their blessings by taking the initial steps of faith to progress toward their valuable space There are so many people suffering from victimization so take the courageous step forward to no longer settle for crumbs Matthew 15 25 28 New International Version NIV Do not look at the time lost look forward to what is ahead and push forward to be the best versions of ourselves The woman came and knelt before him Lord help me He replied It is not right to take the children's bread and toss it to the dogs Yes it is Lord she said Even the dogs eat the crumbs that fall from their master's table Then He Jesus said to her Woman you have great faith Your request is granted Scripture reference Matthew 15 26 28 Life can be a type of bully telling you who and what you are This bully is Satan the devil the evil one who is pulling the puppet strings on every strategic and direct attack Satan purposefully designs to distract you from living in your fullness and strategizes on how to hinder you from having the abundant blessings you are meant to have Settling for crumbs started for me with incidents out of my control and then the conflicts grew to a conditioned acceptance of believing I was not worth anything good I had allowed the strategic and direct attacks that came against me to devalue me I allowed these evils to convince me to accept only crumbs in all areas of my life I never believed good was ever afforded for me It was only when I began to allow Jesus to work in my heart and mind that I was able to heal and progress forward God used the evil the rejection and the bad that shaped my negative perception and God turned the destruction into a positive and a higher level of thinking and living God enabled me to learn how to value myself to go beyond the crumbs and walk in the fullness of life

through faith My purpose is to share my story and provide you with teachings for how to have your abundant life now No more crumbs for me and no more crumbs for you either There is nothing too complicated for God to reshape into a win So I speak Jesus words over you Be of good cheer Great is your faith How is your faith considered great Your faith is being activated by you taking that next courageous step in God God honors faith above all else and God hears your cry He will fight your battles and lead you to your destined blessings You've been made for so much more and the devaluing of accepting crumbs ends today God will fight for you every step of the way

This book is a reflection on events and circumstances that I have experienced by living in and then by leaving a closed society I have asked and attempted to answer some of the many questions that are a part of making such momentous changes in one s life It is also an attempt to share the methods that worked so well for me in the classroom teach from the heart respect every single student as a human being be willing to learn oneself know the subject matter and be able to communicate it effectively *You Are So Much More Than You Think* Beverly Creran,2023-09-08 Life can be difficult painful and at times unpredictable Whether we are stressed overwhelmed by life or faced with a life changing event we can be left feeling lost alone fearful or unworthy And yet within these thoughts and feelings of despair there is a deeper knowing that we are more and deserve more When Beverly Creran had her life upheaved by divorce after a seemingly secure thirty years of marriage she lost sight of who she was She drifted with no real sense of purpose or direction to her life until she decided to take

matters into her own hands Dedicating herself to her own well being learning about self love conscious awareness spiritual healing and meditation she was able to move away from a victim mentality to reclaim her life on her own terms And she wants you to know that no matter where you find yourself you can do the same This book will not change who you are Instead it will allow you to grow back into your true self by better understanding the heart mind body and soul connection and it will ultimately lead you to discover that you truly are so much more than you think Reader's Theater...and So Much More! D. Blakesley,2018-10-31 This volume provides an in depth comparative study of translation practices and the role of the poet translator across different countries

and in so doing demonstrates the need for poetry translation to be extended beyond close reading and situated in context Drawing on a corpus composed of data from national library catalogues and Worldcat the book examines translation practices of English language French language and Italian language poet translators through the lens of a broad sociological approach Chapters 2 through 5 look at national poetic movements literary markets and the historical and socio political contexts of translations with Chapter 6 offering case studies of prominent and representative poet translators from each tradition A comprehensive set of appendices offers readers an opportunity to explore this data in greater detail Taken together the volume advocates for the need to study translation data against broader aesthetic historical and political trends and will be of particular interest to students and scholars in translation studies and comparative literature *The English Middle-Class Novel* T.B. Tomlinson,1976-06-18 **English Made Easy** John Tourian,2003-12-11 I have often been frustrated and amused by natives who want to be understood only by the collusive other natives and thus resort to the use of esoteric expressions the meanings of which are only privy to their people or even group The most enduring manner to memorialize the truth is to render the language understandable even if it entails going back to its proper roots Typical of me I chose the hardest of them all English specifically because its rules have been intentionally overlooked or in some cases glossed over in favor of a wider comprehensibility as happened in plastics computer science or military jargon Let me put it this way if there already is a way to say something well there is no need to create a new way of saying it to the glaring degradation of the language The purpose of a language is universal understand of what is said In the case of the English language make that what is said how it is said how it is written and even how it is pronounced It is pointless for English speaking people to wrongly interpret the intent of another of their kind or to answer in an equally obfuscating fashion If I say something I want to be universally understood in as clear a manner as possible
