An American Soccer Dream Kenneth Jones, 2011-07-01 An American Soccer Dream walks through the trials and tribulations of retooling the United States National Soccer Program Using many resources previously untapped talent pools an array of underutilized ethnic soccer clubs the power of technology and one of the best sports marketers two friends one a foot soldier in the national soccer federation and another a technology professional with a love of the game work tirelessly to implement their vision An American Soccer Dream chronicles the team's exploits traveling the streets of America and beyond detailing efforts to raise an organization to new heights and winding their way throughout North and Central America before the team's journey ultimately concludes at the World Cup Finals in Brazil in the June of 2014 But as the players and coaches travel this road together something even more special is sparked a spirit and kinship of family which brings together this set of diverse human beings

The Asia Letter, 1994 *Copersucar-Fittipaldi: The full story of Brazilian Formula-1* Ricardo Sterchele, 2020-01-10 It documents the events that took place inside and outside the backstage of each Grand Prix from 1975 to 1980 that affected the team's performance on the tracks It brings a summary of the best articles articles interviews statements and photos presented in journalistic reports published at the time showing the reader all the effort and overcoming the setbacks that these fearless brothers went through This is what made them victorious whose attitudes we must all aim for They are winners because they managed to let go of financial interests and easy successes to invest all their energies in the realization of a great dream an ideal This is the greatest and best example that they set for all our young people today and tomorrow The purpose of the sponsorship was to show the world that Brazil was not commanded by chiefs or that the Japanese descended from their liners in rowboats to exchange native products for baffles That in Brazil there was an industrial park and high tech development centers in addition to a brave and fearless people who are not afraid of adversity The Fittipaldi brothers showed the world that we despite the Tupiniquins can match any enterprise with the same quality and competence as the most developed countries What we lack is to support our initiatives with respect and patriotism Demanding victories in such a technologically sophisticated and complex enterprise in the early years shows that in the field of wisdom and humility we are still underdeveloped

ContamiNation McKay Jenkins, 2016-01-26 A few years ago journalist McKay Jenkins had a tumour removed from his abdomen At the hospital he was asked a lot of odd questions by two researchers How much exposure had he had to toxic chemicals and other contaminants Asbestos dust Vinyl chlorine Pesticides Jenkins a clean living kind of guy suddenly realised he'd spent his life marinating in toxins from his wall to wall carpeting to his dryer sheets to his drinking water In *ContamiNation* he exposes the toxins that are present in our everyday lives and shows how we can avoid them
