Sports-Based Health Interventions David Conrad, Alan White, 2015-12-23 This unique volume explores a growing collaboration between the sport and health sectors to deliver innovative public health interventions in the community It explores the role of sport and sports settings as a vehicle for achieving health outcomes as well as some of the practical and moral challenges presented by sport and public health partnerships working together Twenty detailed examples illustrate the broad range of programs which have already been developed around the world from across the spectrum of public health activity Chapters include Time Out for Your Health A sports based health intervention approach with American football teams Promoting Mental Wellbeing in Rugby League communities Slum Soccer female empowerment through football Football 4 Peace Sport as a post disaster psychosocial intervention for children in Bam Iran Sex and Sport An Australian rules football based chlamydia screening initiative As well as showcasing what has been achieved in this exciting new field Sports based Health Interventions shares valuable advice and lessons learnt to inform the next generation of sports based public health initiatives

The Leading-Edge Manager's Guide to Success David Parmenter, 2011-02-14 Practical commonsense advice on becoming an effective leader Examining the baggage that most managers have and then helping them to understand the personal traits that can limit their potential this book guides you through the pathway of self development then takes you through management and leadership better practices providing many implementation tools All you need to know when getting prepared for a management role How to develop conquest leadership attributes Traits to make you a winning CEO Latest thinking on KPIs quarterly rolling planning decision based reporting and performance related pay How to create Winning Management and Leadership Habits Examines how to become More Financially Aware This book is a very practical guide with templates how to do it tools stories about gifted leaders checklists and examples and is devoid of all intellectual arguments on management With directional guidance on what managers need to know in order to be able to manage and lead others The Leading Edge Manager's Guide to Success helps managers and managers to be as they climb the management mountain

The Only Way to Win Jim Loehr, 2012-05-08 Why Winning with Character Is the Only Way to Win The conditioning begins early in our lives Great achievements will bring lasting happiness and fulfillment great achievements form the bedrock of stable self esteem and strong character great achievements will become the foundation for a successful life If these well intentioned promises are true why does winning never seem to be enough In The Only Way to Win Jim Loehr draws upon two decades of work with Fortune 500 executives world class athletes such as Monica Seles Dan Jansen and Eric Lindros and other high achievers at the Human Performance Institute HPI to reveal surprising insights about achievement motivation Specifically Loehr finds that the blind pursuit of external achievement often results in emptiness addiction and ironically poor performance It's not really about what you achieve he argues it's about who you become as a consequence of the chase As Loehr powerfully demonstrates success at work and fulfillment in life require a complete re

purposing of achievement one where value is derived from growth in areas such as integrity honesty gratefulness humility optimism and compassion To help readers start this process he provides them with the tools they need to develop these character traits as well as the plan they need to use them effectively A compelling practical and hopeful read filled with relatable stories and useful exercises The Only Way to Win will serve as a powerful wake up call for business leaders employees teachers and coaches It will also provide inspiration for readers looking to perform better achieve more and change both their own lives and those of the people they influence Jim Loehr is a world renowned performance psychologist co founder of the Human Performance Institute and author of fifteen books including his most recent The Power of Story He also co authored the national bestseller The Power of Full Engagement

Advances in Carpet Manufacture K K Goswami,2017-09-13 Advances in Carpet Manufacture Second Edition discusses the manufacture of carpets an industry that has evolved over hundreds of years also exploring the new changes and developments in textile science and manufacturing technology that occur every day This updated edition provides revised expanded and updated coverage of carpet manufacturing processes and applications The book begins by reviewing the different types of carpets and their applications also exploring the structure and properties of carpet materials Carpet manufacturing techniques are then reviewed including a new chapter on tufting and yarn manufacturing techniques and design and manufacture for handmade carpets Subsequent chapters review the development of carpets with important properties including new chapters on carpets for acoustics and sound absorption carpets with increased fire retardancy and those with antimicrobial and soil resist finishes With the variety of topics covered and its international team of contributors the book offers a valuable and informative reference for technologists in the carpet and associated industries However it is also a great resource for researchers and students working in applied textile sciences Presented by an expert editor with many years of experience in both academic textile research and industry Provides new research technologies and other developments in carpet manufacture for academics and developers seeking to update their knowledge Includes a strong focus on industry needs and developing areas with market potential
