

A Note from 5th Grade

March 11, 2016

Reading

This week students began our Schoolwide Poetry unit. Lessons included; sound elements in poetry, and visualizing poetry. Next week, students will be learning about Author's Purpose and how similes and metaphors help to build meaning in poems. Students also took the ELA PARCC practice test. We are continuing to review using paired reading and constructed response questions so students are able to demonstrate their learning on PARCC.

During intervention, students are reviewing reading strategies for fiction within their Survival Novel selection.

Math

5th graders in Mrs. Amoroso's and Mrs. Shepard's are working on Module 8 which covers multiple strategies for solving long division.

Mrs. Kuczek's Math Class is working on Module 9, multiplying fractions.

All 5th graders are working individually with hands on equations. They are really beginning to understand algebraic thinking!

All 5th graders will also be taking a Math PARCC practice test the week of March 14th.

Social Emotional

We will continue to practice skills previously taught including, active listening, and conflict resolution and being assertive.

Reminders

MARCH 15th-TAFT FORMS ARE DUE. (Remember if you check any medication on the yellow sheet, you must have a doctor fill out the green sheet and send in all medication in original container)

Social Studies

We have started chapter 15 which highlights the Mexican American War and Texas, Westward expansion and the California Gold Rush. Students will take their test Friday, March 18th. When we return after break we will begin to study the issues leading up to the Civil War.

Science

We have been learning about Simple Machines! We decided to forgo the Simple Machine test and begin Life Science next week to prepare for Taft. Another factor in our decision was the amount of PARCC testing in the future. Since the students will be participated in PLENTY of testing, we did not want to cut out activities/projects.

Language Arts

Students are all learning Greek and Latin roots. Greek and Latin roots are important for spelling, as well as important building blocks for vocabulary and comprehension. Students are working to RACE (ask them what this means?) while answering constructed response questions.
