

Enjoy Your Retirement

*You worked so hard...for so many years,
Giving everything you had to give.
But now is the time to put yourself first,
To relax, to enjoy, and to live!*

*Take in the song of the birds when you wake,
Get in touch with an old friend or two,
Learn to do something you've not done before,
Find adventure in all that you do!*

*So much awaits you around every bend,
There are so many places to see!
Travel afar...if that is what suits you,
Or read by the shade of a tree.*

*But, never forget, as you go along,
That honestly, right from the start,
All of the moments we shared thru the years.
Left an imprint...right here on my heart!*

Behar, 2015 This inaugural Handbook of Oncology Social Work Psychosocial Care for People with Cancer provides for the first time a repository of the breadth and scope art and science of oncology social workers practice education research policy and program leadership in the psychosocial care of people with cancer and their families

Eduard C. Lindeman and Social Work Philosophy Gisela Konopka, 1958 Eduard C Lindeman a leader in the field of social work for many years was deeply concerned with the profession s development of a basic philosophy As a teacher at the New York School of Social Work for more than 25 years and as a prolific writer and consultant in a broad range of activities Lindeman challenged old ideas and stimulated new ones in relation to the concepts and principles of social work In this study of the man and his thinking Mrs Konopka a professor of social work herself provides an illuminated discussion of the theories upon which the practice of social work is based

Social Work With African American Males Waldo E. Johnson Jr., 2010-05-26 African American males have never fared as poorly as they do currently on a number of social indicators They are less likely to complete high school than their white male and female or African American female peers they are more likely to exhibit depressive symptoms and they have fewer sanctioned coping strategies Arguably no other group in American society has been more maligned regularly faced with tremendous odds that uniquely threaten their existence When they do receive education mental health and physical health services it is often in correctional settings They are marginalized in public policies on secondary and higher education attainment marriage and parental expectations public welfare health housing and community development Yet they remain overlooked in health and social science research and are stereotyped in the popular media Taking a step back from the traditionally myopic view of African American males as criminals and hustlers this groundbreaking book provides a

more nuanced and realistic portrait of their experiences in the world Chapter authors both established and emerging scholars of social problems relevant to African Americans offer a comprehensive overview of the social and economic data on black males to date and the significant issues that affect them from adolescence to adulthood Via in depth qualitative interviews as well as comprehensive surveys and data sets their physical mental and spiritual health and emerging family roles are considered within both individual and communal contexts Chapters cover health issues such as HIV and depression fatherhood and family roles suicide violence academic achievement and incarceration With original research and a special eye toward enhancing social work and social welfare intervention practice with this often overlooked subpopulation of American society this volume will be of great interest to researchers interested in African American issues students practitioners and policy makers

Gerontological Social Work Practice in the Community George S. Getzel, M. Joanna Mellor, 1985 Here is an extremely useful book one which will help social workers understand the needs of special populations of older people the nature of practices in the community and some of the policy and practice issues which they confront in their work

Expressive Arts for Social Work and Social Change Tuula Heinonen, Deana Halonen, Elizabeth Krahn, 2018-08-20 How can social workers integrate expressive arts methods as a complement to their work to better support individual group and community growth Expressive Arts for Social Work and Social Change explores the values and benefits of expressive arts i e visual arts movement and dance expressive forms of writing and narrative music and performance and the role they can play in social work practice and inquiry Although previous research has illustrated the efficacy of expressive arts to individual therapeutic goals this is the first work that looks at the use of these approaches to fulfill the values ethics and principles of the social work profession The authors draw from current and emerging concepts related to green social work including individual and collective well being Indigenous perspectives and practices social justice and social action and individual as well as collective creative expression This book provides insight and advice that will benefit all human service professionals interested in expressive arts

Equality and Diversity in Social Work Practice Chris Gaine, 2010-06-18 Social workers must develop a sensitive yet informed approach when working with service users from different social and cultural groups In many aspects of life including accessing human services people are marginalised ignored stigmatised or discriminated against because of one or more aspects of their identity age sexual orientation faith or belief gender race or ethnicity social class and disability This book acts as a guide for students to develop their understanding of these various groups while illustrating how the social work value base can be a central part of such understanding
