Social Work In Canada An Introduction Third Edition:

Doing Anti-Oppressive Practice, Third Edition Donna Baines, 2020-05-06T00:00:00Z This updated third edition of the immensely popular Doing Anti Oppressive Practice introduces students to anti oppressive social work its historical and theoretical roots and the specific contexts of anti oppressive social work practice Key to this practice is the understanding that the problems faced by an individual are rooted in the inequalities and oppression of the socio political structure of society rather than in personal characteristics or individual choices Moreover the contributors show that social justice and social change working against racism sexism and class oppression can and must be a key component of social work practice Drawing on concrete examples from specific practice contexts personal experience and case work including child welfare poverty mental health addictions and disability the contributors demonstrate how to translate social justice theory into everyday practice This new edition adds chapters on working with refugee immigrant and racialized families children older adults cognitive behavioural therapy and using social media as a tool for social change **Social Work with Rural Peoples (Third Edition)** Ken Collier, 2006-07-20 The gist of Collier s genuinely radical book is that for the rural social worker to be effective she must be able to identify with the struggles of the people she is trying to help that trying to maintain professional objective distance will merely ensure that the social worker becomes part of the problem rather than part of the solution For the social worker in a smaller community Whose side are you on is the most important question to be answered before any effective work can be done It is an indictment of the slow pace of progress against the societal problems facing rural populations that a third edition of Social Work With Rural Peoples is necessary **Walking This Path Together** Jeannine Carrière, 2020-07-10T00:00:00Z Walking This Path Together is an edited collection devoted to improving the lives of children and families that come to the attention of child welfare authorities by demonstrating and advocating for socially just child welfare practices In this new updated edition authors provide special consideration to the historical and political context of child welfare in Canada and theoretical ideas and concrete practices that support practitioners educators and students who are looking for anti racist anti oppressive and anti colonial perspectives on child welfare practice **Introduction to Social Work** Lisa E. Cox, Carolyn J. Tice, Dennis D. Long, 2021-08-30 The award winning Introduction to Social Work An Advocacy Based Profession takes students on an exploration of what social work is what it was historically and how to be an effective advocate as a social worker moving forward Built on a unique advocacy practice and policy model comprised of four components economic and social justice a supportive environment human needs and rights and political access the book provides a crucial lens for viewing today s social issues Best selling authors Lisa E Cox Carolyn J Tice and Dennis D Long emphasize advocacy throughout all sectors of social work with a focus on environmental international and military social work The Third Edition closely aligns with the latest Educational Policy and Accreditation Standards EPAS from the Council on Social Work Education CSWE references the 2018 Code of Ethics from the National Association of Social Workers NASW

and includes profound discussions of societal impacts on areas of public health policy juvenile justice race inequality social movements and self care This title is accompanied by a complete teaching and learning package **About Canada: Health and Illness, 3rd Edition** Dennis Raphael,2024-05-02T00:00:00Z Living a long healthy life is one obvious goal of pretty much all of us We are told over and over to change our lifestyles and accept that if we become ill we have likely brought it on ourselves Yet hundreds of studies over the past four decades tell the real story the living and working conditions we experience every day play a determining role in our health How income and wealth housing education and adequate food are distributed whether or not we are employed and the working conditions we experience not medical treatments nor so called wellness lifestyles determine whether we stay healthy or become ill These living and working conditions reflect the social inequalities that are associated with social class gender race and other social locations in Canadian society The third edition of Health and Illness shows how inequitable distribution of the social determinants of health are determined by public policy decisions Dennis Raphael updates information that connects health and illness to the worsening levels of inequality in Canada the rich are getting richer and the rest of us are getting sick This edition also includes a chapter on the social determinants of who got sick and died from COVID 19 The experiences during the COVID 19 pandemic make the clear case that we need to restructure work and living conditions through public policy that more equitably distributes economic resources It is only through such actions that we will be able to promote the health of Canadians and prevent illness in an effective manner **Canadian Social Policy, Fifth Edition** Anne Westhues,Brian Wharf,2012-05-25 Social policy shapes the daily lives of every Canadian citizen and should reflect the beliefs of a majority of Canadians on just approaches to the promotion of health safety and well being Too often those on the front lines social workers nurses and teachers observe that policies do not work well for the most vulnerable groups in society In the first part of this new edition of Canadian Social Policy Westhues and Wharf argue that service deliverers have discretion in how policies are implemented and the exercise of this discretion is how citizens experience policy whether or not it is fair and reasonable They show the reader how social policy is made and they encourage active citizenship to produce policies that are more socially just New material includes an examination of the reproduction of systemic racism through the implementation of human rights policy and a comparative analysis of the policy making process in Quebec and English Canada The second part of the book discusses policy issues currently under debate in Canada Included are new chapters that explore parental leave policies and housing as a determinant of health All chapters contain newly updated statistical data and research and policy analysis A reworked section on the process of policy making and the addition of questions for critical reflection enhance the suitability of the book as a core resource in social policy courses The final chapter explores how front line workers in the human services can advocate for change in organizational policies that will benefit the people supported **Social Work Practice** Jonathan Parker,2024-10-30 Providing you with a complete foundation of knowledge and understanding for each process this step by

step guide will introduce you to the four main aspects of social work practice Assessment Planning Intervention and Review and help you to apply theory to practice across settings and service user groups **Building a Better World, 3rd Edition** Stephanie Ross, Larry Savage, Errol Black, Jim Silver, 2020-05-27T00:00:00Z This third edition of Building a Better World offers a comprehensive introductory overview of Canada's labour movement The book includes an analysis of why workers form unions assesses their organization and democratic potential examines issues related to collective bargaining grievances and strike activity charts the historical development of labour unions and describes the gains unions have achieved for their members and all working people *The Routledge Handbook of Green Social Work* Lena Dominelli, 2018-03-28 Green social work espouses a holistic approach to all peoples and other living things plants and animals and the physical ecosystem emphasises the relational nature of all its constituent parts and redefines the duty to care for and about others as one that includes the duty to care for and about planet earth By acknowledging the interdependency of all living things it allows for the inclusion of all systems and institutions in its remit including both human made and natural disasters arising from the human made ones of poverty to chemical pollution of the earth's land waters and soils and climate change to the natural hazards like earthquakes and volcanoes which turn to disasters through human in action Green social work's value system is also one that favours equality social inclusion the equitable distribution of resources and a rights based approach to meeting people's needs to live in an ethical and sustainable manner Responding to these issues is one of the biggest challenges facing social workers in the twenty first century which this Handbook is intended to address Through providing the theories practices policies knowledge and skills required to act responsibly in responding to the diverse disasters that threaten to endanger all living things and planet earth itself this green social work handbook will be required reading for all social work students academics and professionals as well as those working in the fields of community development and disaster management

Doing Anti-Oppressive Social Work, 4th ed. Donna Baines, Natalie Clark, Bindi Bennett, 2022-11-15T00:00:00Z Doing Anti Oppressive Social Work brings together critical social work authors to passionately engage with pressing social issues and to pose new solutions practices and analysis in the context of growing inequities and the need for reconciliation decolonization and far reaching change The book presents strong intersectional perspectives and practice engaging closely with decolonization re Indigenization resistance and social justice Like the first three editions the 4th edition foregrounds the voices of those less heard in social work academia and to provide cutting edge critical reflection and skills including social work's relationship to the state and social work's responsibility to individuals communities and its own ethics and standards of practice Indigenous Black racialized transgender disability and allied scholars offer identity engaged and intersectional analyses on a wide range of issues facing those working with intersectional cultural humility racism and child welfare poverty and single mothers critical gerontology and older people and immigrant and racialized families This 4th edition of Doing Anti Oppressive Social Work goes well beyond its predecessors updating and revising popular chapters but also problematizing

AOP and engaging closely with new and emerging issues

An Introduction to Social Work Practice in Canada

Shankar A. Yelaja, 1985

Walking This Path Together, 3rd Edition Gwendolyn Gosek, 2025-04-29T00:00:00Z Canadian child

welfare policies and practices have been central to maintaining a settler colonial nation by controlling and managing the childhoods and future lives of children While ostensibly grounded in the best interests of the child child welfare policies and practices far too often make the lives of young people more precarious because they are stratified along race and class lines rather than caring for their wellbeing There have been dire consequences for Indigenous communities but also for Black newcomer non citizen and poor people who are also disproportionately the primary focus of child welfare The contributors to this book reveal these unjust conditions so that workers can contribute to the ongoing transformation of child welfare to facilitate child wellbeing The third edition of *Walking This Path Together* continues the transformative vision of the first two editions and charts a new way forward There are several new chapters and authors who focus on M tis kinship protocols family group conferencing decolonizing child welfare and the criminalization of newcomers refugee children and Indigenous youth in care They demonstrate how to bring forward transformative practices to moving child welfare into a truly new decolonial era This transformative vision is the path that we are walking

Social work in XXI Century St. Challenges for academic and professional training. Concepción Nieto-Morales, 2018-08-03

The book that you hold in your hands or on the screen of any technological device is the result of the effort made by a group of professors with the collaboration of professionals in different universities and study centres in twenty five countries It is title is already revealing *Social Work in the 21st Century* It is remarkable the coordination of professors Concepción Nieto Morales and Monica Solange De Martino Berm dez for readers to know not only the curriculum of Social Work in each of the countries that appear but also the profile of the student body and the identification and reflection on the challenges that the 21st century poses to the teaching of the profession among other elements Being a social worker in these times requires a previous awareness before starting the long road that begins with academic training and ends with the daily work linked to people who need help they need us to help them to conquer their rights There is something else Social problems over the years seem not to change their name homeless drug addicts minors but we must know that the internal dynamics of these

marginalized groups evolve over time We must act according to today's situation with today's schemes otherwise the essence of social work will disappear

Critical Social Work Praxis Sobia Shaheen Shaikh, Brenda A. LeFrançois, Teresa Macías, 2022-03-31T00:00:00Z What we think must inform what we do argue the editors and authors of this cutting edge social work textbook In this innovative expansive and wide ranging collection leading social work thinkers engage with social work traditions to bridge social work theory and practice and arrive at social work praxis a uniting of critical thought and ethical action Critical Social Work Praxis is organized into sixteen sections each reflecting a critical social work tradition or approach Each section has a theory chapter which succinctly outlines the tradition's main concepts or tenets a praxis chapter which shows how the theory informs social work practice and a commentary chapter which provides a critical analysis of the tensions and difficulties of the approach The text helps students understand how to extend theory into praxis and gives instructors critical new tools and discussion ideas This book is the result of decades of experience teaching social work theory and praxis and is a comprehensive teaching and learning tool for the critical social work classroom

Canadian Social Policy Anne Westhues, 2003-05-26 What are the major issues confronting social policy makers today What theoretical perspectives shape our thinking about the causes of social problems and how we should respond What can we do to influence decision makers about which policy choice to make In this completely revised and updated edition of Canadian Social Policy a new generation of social policy analysts discusses these important questions Readers who are interested in discovering the current policy debates and who want to understand the policy making process at various levels of government as well as how they can influence the process and assess whether policies are working will find this book invaluable

Radical Challenges for Social Work Education Jane

Fenton, 2022-04-19 This book is full of ideas about how social work education can confront the individualising and often blaming form of social work that neoliberalism ushered in four decades ago Radical social work is an approach to social work that has at its heart the departure from solely behavioural moral or psychological understanding of service users problems Social work had originally been concerned with the moral character of people in trouble usually poor people making a clear division between those who were deserving of help and those who were undeserving The rise of science and the psy disciplines then led to psychological explanations for the difficulties people found themselves in Both explanations for social problems moral and psychological with their narrow focus on the individual have been enjoying a renaissance in recent times with the neoliberal self sufficiency narrative moral and the more recent focus on trauma psychological Radical social work challenges those explanations concerned as it is with the circumstances a person might find themselves in poverty poor housing poor education high crime rates and lack of opportunities of all kinds This book is a step towards resurrecting radical social work principles and it urges us to think about how social work education can be reshaped to that end Radical Challenges for Social Work Education is a significant new contribution to social work practice and theory and will be a great resource for academics researchers and advanced students of Politics Education Social Work Sociology Public Policy Development Studies Anthropology and Human Geography The chapters in this book were originally published as a special issue of the journal Social Work Education

Asian Social Work Ian Shaw, Rosaleen Ow, 2019-08-28 The countries of East and Southeast Asia taken as a whole display a laboratory of social and political conditions with individual countries presenting a variety of political cultural and social characteristics Some with one party state systems others with stable liberal democracies and yet others with more fragile democratic systems As such the region presents a unique opportunity to examine the relationship between diverse national environments and social work education regimes In this book social work educators and theorists from around East and Southeast Asia provide accounts of the social work programs within the higher education systems of their respective countries and compare them to those of their neighbours This is the first book to offer a structured account of how social work and social work education have emerged and finds their present place in the historical economic political urban rural and higher education contexts of Southeast Asia and East Asia Experts from the region assess the extent to which these countries systems possess a collective coherence while examining the diversity among them

Elder Abuse Work Jacki Pritchard, 1999-01-01 The abuse neglect and exploitation of older people in community and residential care settings is increasingly being recognised and addressed as a serious social concern in Britain and Canada Elder Abuse Work gives an overview of the developments and issues in both countries and draws out good practice guidelines
