Sociology In Our Times 6th Canadian Edition:

Sociology in Our Times Diana Elizabeth Kendall, Jane Lothian Murray, Rick Linden, 2013-01-21 *Sociology in Our Times* Sixth Canadian Edition highlights the relevance of sociology to students' lives by including a diversity of classical and contemporary theory, interesting and relevant research, and lived experiences that accurately mirror the diversity in society itself. Praised for their writing style, authors Jane Murray and Rick Linden speak to a wide variety of Canadian students and capture their interest by taking into account their concerns and perspectives. The research within the 6th Canadian edition includes the best work of classical and established contemporary sociologists presented in a straightforward and easily understandable way. Each chapter examines a social issue from various theoretical perspectives: foundational theory, the most relevant contemporary theory, and a critical theory. *Sociology in Our Times* captures the excitement of this new era and aims to help students understand how sociological theory and research can be applied to both everyday life and the pressing social issues we face in a rapidly changing world.

POJK (Purposely Obliterated Jammu Kashmir) Namrata Chowdhary, 2019-07-15 This book is written to highlight a completely different aspect of the actual problem of Jammu and Kashmir state and how it manifested to the current situation. The Great Game of the British Empire of having a buffer state between India and the expanding Soviets is known to all. However, the shrewd policies of achieving the dominance of a particular ethnicity over the complete state of Jammu and Kashmir has been cleverly hidden from the people of Jammu and Kashmir. The Tribal invasion of 1947, the conditions for accession to India, and the demarcation of Cease Fire Line achieved a particular set of Geographical and Ethnic divide that completely changed the politics and demographic pattern of Jammu and Kashmir. This book further makes an endeavor to understand the actual impact of demarcation of Cease Fire line and where the state of Jammu and Kashmir was cleverly steered over the last 75 years. Also, this book aims to bring out the true leaders of Jammu and Kashmir who mattered the most in 1947, including Sheikh Mohammad Abdullah, Choudhary Ghulam Abbas, and Mirwaiz Yusuf Shah Pandit Prem Nath Dogra, Mahashey Ram Chand, and Ahmed Yar Khan Duggar.

Chapters from both emerging and established scholars expand the boundaries of Canadian political economy research, seeking new understandings of the forces that shape society, the ensuing conflicts and contradictions, and the potential for social justice. Engaging with interconnected topics that include shifts in immigration policy, labour market restructuring, settler colonialism, the experiences of people with disabilities, and the revitalization of workers' movements, this collection builds upon and deepens critical analysis of Canadian society and considers its application to contexts beyond Canada. The latest in a series of related volumes on Canadian political economy, *Change and Continuity* explores the past, present, and potential futures of the discipline in a global context, offering insight into some of the most pressing issues of our time.
