Botha, Smuts and the Great War Antonio Garcia, Ian van der Waag, 2023-10-30 In Botha Smuts and the Great War 1914 1918 authors Antonio Garcia and Ian Van Der Waag conducted painstaking research in South Africa and the United Kingdom to produce this first of a kind volume on the wartime roles of South African prime minister General Louis Botha and his deputy General Jan Smuts These very different men appealed to different audiences Botha's nuance and emotional intelligence complemented Smuts's intellectualism Thrown into a world conflagration in August 1914 and facing internal rebellion and the threat posed by German troops on the borders they led South Africa's Union Defence Force Both Botha and Smuts commanded in the field Steadily the South African army they commanded benefiting from wartime training sometimes in the field gained resilience experience and battle hardiness adapting to the conditions of the campaigns and the demands of the tasks South Africa's campaigns were complex and divergent starting with the invasion of neighbouring German South West Africa to neutralise enemy radio stations and so aid the security of the South Atlantic Suddenly suspended following the outbreak of the Afrikaner Rebellion the campaign recommenced in January 1915 Following its conclusion an infantry brigade raised for Western Front service was diverted to Egypt before facing near annihilation at Delville Wood Simultaneously a large South African force fighting alongside British African and Indian forces overcame German resistance in East Africa

whilst a brigade of field artillery and later the Cape Corps served in Egypt and Palestine Moreover approximately 6 500 South Africans served in the British Army Royal Flying Corps Royal Air Force and in the Royal Navy Although lionised during the war by a British public hungry for heroes there is a different side to Botha and Smuts Shunned by Afrikaner nationalists at the time they have remained divisive figures Responsible for the enactment of the Land Act of 1913 which shaped South Africa's socio economic and political landscape Botha's statues in Cape Town Durban and Pretoria were vandalised on a number of occasions between 2015 and 2022 and there were recent calls for Smuts's statues to be removed Behind Botha's charming attractive facade and Smuts's stoic machine were two very human imperfect and quite probably inconsiderate men Together they provide a wonderful lens through which to examine the potent forces of the early twentieth century world and the country they hoped to forge Myopic compatriots had constrained their plans but it was the outbreak of war in 1914 that offered the most significant opportunities and brought the most adverse challenges They fought insurmountable odds and achieved great victories at home and abroad but also made startling errors and ultimately in classical fashion risked being crushed by the weight of the world they tried to create Rethinking African Cultural Production Kenneth W.

Harrow, Frieda Ekotto, 2015-05-29 Frieda Ekotto Kenneth W Harrow and an international group of scholars set forth new understandings of the conditions of contemporary African cultural production in this forward looking volume Arguing that it is impossible to understand African cultural productions without knowledge of the structures of production distribution and reception that surround them the essays grapple with the shifting notion of what African means when many African authors and filmmakers no longer live or work in Africa While the arts continue to flourish in Africa addressing questions about marginalization what is center and what periphery what traditional or conservative and what progressive or modern requires an expansive view of creative production **African History through Sources: Volume 1, Colonial Contexts and**

L. Carey

Miller, 2000 This important new work is the first comprehensive survey of South African land law following the sweeping land reforms enacted during the past decade It considers the substance and working of these reforms in the context of the pre existing common law and legislation An outline of the main features of the South African landholding before 1990 is followed in a detailed discussion of the established procedures of registration prescription and alternative forms of title Registration in

terms of the Deeds Registries Act remains a fundamental aspect of the acquisition of real rights in land and chapters dealing with these subjects constitute an authoritative source of reference for the property practitioner and conveyancer the consultant and developer They revise and update the corresponding chapters from The Acquisition and protection of Ownership Juta 1986 by the same author which is relied upon by practitioners and the courts as a standard reference in the field of property law The land reform programme is examined in the context of these pre existing procedures and with reference to the history of discriminatory landholding and constitutional property provisions The result is a coherent account of land title in South Africa at the end of the 20th century Student Encyclopedia of African Literature Douglas

first study of writers who are both Victorian and indigenous who have been educated in and write in terms of Victorian literary conventions but whose indigenous affiliation is part of their literary personae and subject matter What happens when the colonised indigenous or native subject learns to write in the literary language of empire If the romanticised subject of colonial literature becomes the author is a new kind of writing produced or does the native author conform to the models of the coloniser By investigating the ways that nineteenth century concerns are adopted accommodated rewritten challenged re inscribed confronted or assimilated in the work of these authors this study presents a novel examination of the nature of colonial literary production and indigenous authorship as well as suggesting to the discipline of colonial and postcolonial studies a perhaps unsettling perspective with which to look at the larger patterns of Victorian cultural and literary formation

A History of South Africa Frank Welsh, 2000 A remarkable feat of scholarship fairness and readability full of lively detail with a freshness of style which brings new life to the narrative Anthony Sampson Throughout its turbulent history South Africa has frequently been the focus of worldwide attention usually hostile Yet prejudice and ignorance about the country are widespread The evolution of the present day Rainbow Nation has taken place under conditions of sometimes extreme pressure Since long before the arrival of the first European settlers in the seventeenth century the country has been home to a complex and uneasily co existing blend of races and cultures and successive waves of immigrants have added to the already volatile mixture Despite the euphoria which greeted the dismantling of the apartheid system and the election as President of Nelson Mandela in April 1994 South Africa s history racial mix and recent political upheavals suggest it will not easily free itself from the legacy of its

tumultuous past Newly revised and updated Frank Welsh's vividly written even handed and authoritative history casts new light on many of South Africa's most cherished myths Like his A History of Hong Kong it will surely come to be regarded as definitive *South Africa* ,1932 *Resistance Against Fascist Enslavement in South Africa* Council on African Affairs,1953
