Untaming Girlhoods Cristina Santos, 2023-03-31 This is an interdisciplinary examination of depictions of girlhoods through a comparative study of foundational fairy tales revised and reimagined in popular narrative film and television adaptations The success of franchises such as The Hunger Games Twilight and Divergence have re-presented the young heroine as an empowered female and often a warrior hero in her own right Through a selection of popular culture touchstones this empowerment is questioned as a manipulation of feminist ideals of equality and a continuation of the traditional vision of female awakening centering on issues of personal choice agency physical violence purity and beauty By investigating re-occurring storytelling frameworks and archetypes Untaming Girlhoods examines different portrayals of girlhoods in the 20th and 21st century Anglo American cultural imaginary that configure modern girlhoods beyond the fairy tale princess or the damsel in distress into refigurations that venture away from the well trodden path for a new breakaway path to authentic selfhood This will be a useful and enlightening text for students and researchers in Girlhood Studies Gender Studies Film Studies Popular Culture and Media Studies

The Huntsman Lilith Leana, 2024-01-27 What if the Huntsman helped Snow White defeat the Evil Queen Snow White's heart has been broken repeatedly by those she once trusted leaving her feeling betrayed and alone Placing all her faith in the Huntsman she clings to the hope that he is deserving of her trust When she defeats the Evil Queen she realizes she wants more from him than just his loyalty she craves his love The Huntsman helps Snow White regain her rightful throne But the thought of witnessing her marry someone else is unbearable for him He asks her to relieve him of his duties but she refuses Excerpt His

lips met mine in a fiery kiss filled with passion exactly how I imagined my first kiss to be His mouth was rough underneath my soft one and his earthy taste filled my senses I moaned into the kiss and his tongue slid between my lips discovering more of my mouth and deepening the kiss The kiss went on forever our hands never leaving each other and our lips fused together with a desperation that took my breath away I broke off the kiss to take in some much needed air but I never let go of him Take me Ruin me for any other man in the world and make me yours I said The wedding was planned to happen in two days so I needed him to take my purity so I couldn't marry the prince I was already planning to rearrange the wedding so it would be an intimate ceremony between us I've been yours from the moment I first saw you in the woods my Huntsman said That moment felt like a lifetime ago when I had first fled the castle because my stepmother had tried to kill me So much had happened since then but my feelings for him had remained the same He was the first man to show me compassion and not be under the spell the evil queen seemed to be able to cast on men And I yours But I need you to take me as only a husband would take his wife so there is no doubt about it that I am yours forever Reader advisory This story contains explicit sex scenes between two consenting adults The Huntsman is a 3.1k word steamy hot erotic Snow White fairytale Retelling short story Explicit sex scenes standalone no cheating or cliffhangers *Whitaker's Cumulative Book List* ,1979 *Reading in the Dark* Jessica R.
