**Unlawful Attacks in Combat Situations** Héctor Olásolo,2007-11-30 Death and destruction are unavoidable effects of war and combat situations The fact that people have been killed or injured or property has been destroyed should not encourage anyone to rush to the conclusion that war crimes have been committed On the contrary before reaching such a conclusion it is necessary to carefully analyze the conduct of the person causing death injury or

damage in order to ascertain whether such conduct is consistent with international humanitarian law Technology law and public opinion on what is acceptable has greatly evolved since World War II The issue of civilian damage caused in combat operations has become an important topic in public opinion since Operation Desert Storm in 1991 Public pressure to limit incidental civilian damage has notably increased following the NATO aerial campaign in Kosovo in 1999 and the subsequent conflicts in Afghanistan in 2001 Iraq in 2003 and Lebanon 2006 Unlawful Attacks in Combat Situations focuses on the manner in which unlawful attacks launched during the conduct of hostilities have been dealt with in the Rome Statute of the International Criminal Court the international treaty which to date deals most comprehensively with war crimes committed in international and non international armed conflicts and in the case law of the International Criminal Tribunal for the Former Yugoslavia the first international judicial body that has investigated and prosecuted crimes committed during the conduct of hostilities since World War II

**Addressing South Africa's Moral Crisis** Nico Vorster, 2025-08-22 This book attempts to understand and address the psycho social dynamics behind South Africa s moral crisis It describes South Africa as afflicted by state capture violence corruption and the looting of state infrastructure thirty years after the establishment of democracy It then provides a holistic social diagnosis of this problem that integrates the findings of different disciplines into an overall picture of the forces at work in South Africa s collective moral decline Ultimately this book engages with the deeper psycho social phenomena behind South Africa s moral decline arguing that the diagnostic question of why this moral decline has taken place must be answered before turning to the normative question of what ought to happen in this situation Accordingly this book explores themes regarding the innate moral capacities of the human person the effects of need pressures and systemic pressures on ethical decision making and the phenomena of distorted motivational drives and distorted behavioral responses It shows how the framing of virtue centered moral identities might act as buffers against moral disengagement strategies and assist in promoting pro social behavior It then specifies the macro social changes required to create such an ethical social climate The book is of interest to social scientists ethicists behavioral scientists educators theologians and moral philosophers In the end this case study of South Africa shows us more broadly how maintaining public morality and social cohesion is a challenge that most modern societies face

*Research Handbook on International Financial Crime* Barry Rider, 2015-11-27 A significant proportion of serious crime is economically motivated Almost all financial crimes will be either motivated by greed or the desire to cover up misconduct This Handbook addresses financial crimes such as fraud corruption and money laundering and highlights both the risks presented by these crimes as well as their impact on the economy The contributors cover the practical issues on the topic on a transnational level both in terms of the crimes and the steps taken to control them They place an emphasis on the prevention disruption and control of financial crime They discuss in eight parts the nature and characteristics of economic and financial crime The enterprise of crime business crime the financial sector at risk fraud corruption The proceeds of financial and economic crime and enforcement and control

Academics interested in criminology law as well as business and legal studies students will find this book to be an invaluable resource Practitioners including lawyers compliance and risk managements law enforcement officers and policy makers will also find the points raised to be of use Female Genital Mutilation around The World: Ngianga-Bakwin Kandala,Paul Nzinga Komba,2018-07-09 This book uses global household data to examine the prevalence trends and geographic variation of female genital mutilation FGM around the world It also addresses the underlying legal and policy aspects as well as explores the medical consequences both immediate and long term for those undergoing the practice The book analyses the position of victims of this gender based violence both from the medical and legal perspective and adopts a largely practical approach to the study of the practices offering a fresh thinking into one of the challenges in global health and the law In addition it offers some insights into how health professionals can approach this category of victims and how legal practitioners can obtain a good legal result for their clients before domestic and international forums The book addresses fundamental issues such as state liability and defences in enforcement proceedings for actions or omission of state or non state actors and due diligence standard in international human rights law the main gateways available for obtaining relief for the victims of FGM This book goes beyond the traditional debate between zero tolerance and those who wish to see the practice medicalised and tolerated and favours an advocacy programme standing firmly in favour of the right of FGM victims This book offers a unique perspective likely to assist victims and their representatives to secure a remedy against perpetrators and the state As such this book will be of interest to medical professionals national and international lawyers academics and policymakers in the field of public health *Bowker's Law Books and Serials in Print* ,1998 **Migration and Making an Income in the Context of 'Human Trafficking'** Anna S. Hüncke,2023-06-09 The book focuses on volatile processes at the South African Zimbabwean border that arise from practices of migration and income generating activities The processes are influenced by neoliberal developments and controversial discourses on migration commercial sexual services and human trafficking In this unstable environment different actors continuously negotiate trying to achieve stable positions By addressing issues related to migration and income generating activities they maneuver between legal rules and their own moral values and interests In their attempt to classify incidents in the border context that are unclear to them actors explanations are partly based on the concept of transnational human trafficking Thereby they transfer the impenetrability discursively associated with this concept to what they see as obscure cross border migration disconcerting sexual services and other alienating economic activities Alternatively actors understand undocumented cross border migration commercial sexual services and other illegalised income generating activities as common everyday practices at the border and also assume that human trafficking does not play an important role there The New Encyclopaedia Britannica: Macropaedia ,1995 **An Almanac of Contemporary and Continuum of Jurisprudential Restatements** 'lai Oshitokunbo Oshisanya,2022-07-10 A Compendium of Jurisprudential Annotations of Cases with Treaties Statutes Rules and
