This is a companion version not the original book Sample Book Insights 1 I was in the mood for a tidy plate of onion grill with crusty bread I was at war with a robot version of myself The spambot left me feeling powerless and sullied My identity had been redefined all wrong by strangers 2 I had a conversation with three men who claimed to be academics from reputable universities and they said they were trying to protect my identity by saying I was a robot I was annoyed because it was not me tweeting it was me being myself 3 I was so excited to see the comments on my YouTube video which mocked the academics for their comments about me eating wasabi dumplings It felt wonderful to be victorious and I was proud of the other recent social media shamings I d enjoyed 4 When powerful people transgress we are there to respond When the media mocks a food bank for giving out food parcels without running ID checks Twitter donations rise to the charity by the end of the day
