Inspection Operations,1995 Moscow Yankee Myra Page,1995 The Depression era closing of a Ford plant sends Andy and two companions to Moscow to find work in a Soviet automotive plant where he meets Natasha an exemplar of the new Soviet woman Based on Myra Page s own experiences in Moscow during the first Five Year Plan Natasha is a portrait of women s contradictory social position in the early periods of socialist construction At the core of this novel is a firsthand look at the developing forces and changing relations of production forces that bring about the conversion of Andy into a Moscow Yankee While revealing the political and economic policies that would inevitably lead to the demise of Soviet style socialism Moscow Yankee refutes the notion that egalitarian societies cannot succeed because they fail to take into account the individualism and greed of human nature Barbara Foley s introduction analyzes the Soviet Socialist construction in Page s novel and the politics of the novelistic form in relation to

Moscow Yankee Originally published in 1935 A picture of Americans lured to Moscow by hope in the great experiment and of others driven there by the depression and of still others attracted by the simple desire to get good engineering jobs Moscow Yankee has a decided value a sense of life stirring in the chaos of destruction and reconstruction The New York Times Book Review *Among Shadows Deep* Mary Carnaghan,2005-08 As the world settled into peace following World War II sisters Beverly and Carolyn Carrie Leeds face a tragedy that forces them to stand on their own The lives of the Leeds sisters begin in a lush valley in upstate New York They know what it is to be loved and protected by caring parents until that fateful day in 1947 when they get the call from the railroad Their parents train plunges into oblivion while traveling back to New York in the middle of a fierce blizzard after a trestle collapses The Leeds sisters are close reflections of each other with their rich shade of tawny hair deep brown eyes fair skin and average height Only one physical difference sets them apart Beverly was born with an extensive skin blemish a blood red birth mark that covers half of her face running down her shoulder and neck This dramatic difference sets her and her sister on distinctively different paths Beverly continually suffers from the deep shame that sets her apart sheltering herself in her reclusive lifestyle Meanwhile Carrie branches out into the world Will the two sisters ever be close or will their vastly different personalities carry them even farther apart Issuances of the Meat and Poultry Inspection Program United States. Meat and Poultry Inspection Program,1993 Includes CFR amendments MPI VS bulletins MPI directives and changes of Meat and poultry inspection manual regulations *The Ash Garden* Dennis Bock,2002-01-08 Emiko Amai is six years old in August 1945 when the Hiroshima bomb burns away half of her face To Anton a young German physicist involved in the Manhattan Project that same bomb represents the pinnacle of scientific elegance And for his Austrian wife Sophie a Jewish refugee it marks the start of an irreparable fissure in their new marriage Fifty years later seemingly far removed from the day that defined their lives Emiko visits Anton and Sophie and in Dennis Bock s powerfully imagined narrative their histories converge *Heart Whispers* Larrie Gale Ph.D.,2017-03-29 Marc from the United States meets and falls for Amala from India Each is powerfully attracted to the other but can their differences be merged into strengths through commitment to each other and to shared Christian values Can parents change their feelings and views of the world to support them Is it possible that a happy family can be created by two individuals from such diversity The story takes Marc and Amala through an emotional roller coaster as they consider their choices and the consequences of what friends and family see as a forbidden romance which can only end in pain **The Four Beauties** H.E. Bates,2016-10-06 First published in 1968 The Four Beauties is Bates s last collection of novellas offering a mixture of comedy adventure a semi autobiographical piece and an exploration of a dark love triangle The Simple Life is set at a country cottage offering the joys of a humble existence and focuses on a bitter alcoholic wife who finds temporary pleasure in a seventeen year old boy A reminiscence of newspaper reporter reflecting Bates s own experiences at the Northamptonshire Chronicle The Four Beauties concerns the narrator s complicated relationship with three lovely and highly sexed daughters as well as

their mother A television adaptation *Country Matters* was aired in March 1973 *The Chords of Youth* sees Bates revive the character of Aunt Leonora first introduced in the 1965 story *The Picnic* in this comic novella in which she entertains a visiting German mistaking him for an old flame Linguistic confusion abundant food and wine and a pompous English bureaucrat contribute to the humorous unfolding of the story In contrasting tone *The White Wind* is a late novella featuring a young man coming to terms with life's realities with considerable action and violence and an irascible man serving as the captain of a boat The element of a dedicated doctor vainly trying to get Pacific islanders to take their medicines is based on Bates's own Tahitian travels

A Son Called Gabriel Damian McNicholl, 2017-09-05 A beautiful and deeply felt coming of age novel that follows one young man's struggles with family secrets and the mysteries of his own heart in 1960s Northern Ireland Gabriel Harkin is the eldest of four children in a working class family in 1960s Northern Ireland struggling through a loving if often brutal childhood In the staunchly Catholic community to which Gabriel belongs the strict rules for belief and behavior are clear But his upbringing is marked by constant bullying by peers who prey on his gentle nature and the constant battle to earn the love and respect of his father Even as he strives to be the perfect picture of young Irish boyhood he is undermined at every turn by his true feelings As political clashes and violence take place across the country Gabriel must face his own inner turmoil He begins to suspect that he's not like other boys and tries desperately to lock away his feelings and his fears even as he explores his burgeoning sexuality Beyond his own struggle is a family secret that remains veiled something with the power to rock Gabriel's already fragile understanding of his identity And as Gabriel confronts the confusion and isolation that have come to mark his adolescence he also learns that secrets no matter how badly some may want them buried have a way of coming to light Evoking a sense of time and place as compelling as *Angela's Ashes* and *At Swim Two Birds* Damian McNicholl's *A Son Called Gabriel* is a deeply felt and often funny coming of age novel that heralded the arrival of a striking new literary voice
