Social Development Report 2008:

India - Social Development Report 2008 Hari Mohan Mathur, 2008 There are groups who oppose development projects that displace people from their lands and livelihoods and demand that such projects should not be undertaken While this demand is unrealistic the concern to save people is legitimate The real issue then is to undertake development in a way that ensures minimum disruption and helps those relocated to share its benefits This report thus shows the way forward and emphasizes the need to adopt credible policies that minimize displacement properly compensate those relocated to make development possible and give them a permanent stake in project benefits Besides these it takes stock of issues like poverty unemployment health local government and decentralization child labour and how women fare across social indices Complete with a social development index which ranks Indian states this report will be a useful primary source and research tool

Social Development in the World Bank Maritta Koch-Weser, Scott Guggenheim, 2021-04-23 This open access book honors the work of Michael Cernea who was the World Bank's first professional sociologist by taking on and extending his arguments for putting people first Cernea led a community of social scientists in formulating and promoting a comprehensive set of innovative and original social policies on development issues which the World Bank adopted and implemented This book includes globally significant work on urban and rural development the epistemology of using social science knowledge in national and international development methodologies for using social organization for more effective poverty reduction and the experience of crafting social policies to become normative frameworks for purposive collective social action And by including contributions from senior policy makers in the World Bank who helped shepherd social science's entry into development policy and practice it provides a unique look at how organizational change can happen

trade and development report, 2008 United Nations, *Resettling Displaced People* Hari Mohan Mathur, 2012-03-12 This volume focuses on critical issues pertaining to involuntary resettlement that affects millions of people around the world every year It examines emerging resettlement policy initiatives and the current approaches and practices to address problems of rebuilding the lives of people displaced by developmental projects

Gender Equality and Sustainable Development Melissa Leach, 2015-07-30 For pathways to be truly sustainable and advance gender equality and the rights and capabilities of women and girls those whose lives and well being are at stake must be involved in leading the way Gender Equality and Sustainable Development calls for policies investments and initiatives in sustainable development that recognize women's knowledge agency and decision making as fundamental Four key sets of issues work and industrial production population and reproduction food and agriculture and water sanitation and energy provide focal lenses through which these challenges are considered Perspectives from new feminist political ecology and economy are integrated alongside issues of rights relations and power The book untangles the complex interactions between different dimensions of gender relations and of sustainability and explores how policy and activism can build synergies between them Finally this book demonstrates how

plural pathways are possible underpinned by different narratives about gender and sustainability and how the choices between these are ultimately political This timely book will be of great interest to students scholars practitioners and policy makers working on gender sustainable development development studies and ecological economics **Counseling Around the World** Thomas H. Displacement and Resettlement in India Hari Mohan Mathur,2013-07-18 In the past ten years or so displacement by development projects has gone on almost untamed under the globalization pressures to meet the demand for land from local and increasingly foreign investors Focusing on India this book looks at the complex issue of resettling people who are displaced for the sake of development The book discusses how the affected farming communities are fiercely opposing the development projects that often leave them worse off than before and how this conflict is a matter of serious concern for the planners as it could discourage potential capital inflows and put India s growth trajectory into jeopardy It analyses the challenge of protecting the interests of farmers and at the same time ensuring that these issues do not hinder the path of development The book goes on to highlight the emerging approaches to resettlement that promise a more equitable development outcome A timely analysis of displacement and resettlement this book has an appeal beyond South Asian Studies alone It is of interest to policy makers planners administrators and scholars in the field of resettlement and development studies

Marginal Urbanisms Felipe Hernández,2017-05-11 This volume reflects on urban development strategies that have been implemented recently in Latin America Over the past twenty years there has been great improvement in governmental efficiency with local and national governments executing important projects that increase the quality of life in cities However the causes of collective disadvantage which created the problems governments attempt to resolve continue to affect many people throughout the continent Thus the essays here examine a wide range of socioeconomic political ethnic and historical issues that have influenced the emergence of marginal urbanisms in Latin American cities The argument most strongly presented in this book is that infrastructural insertions need to be considered as the baseline for urban development not as its main goal Urban infrastructure cannot be taken as the only target for urban development programmes but rather as an instrument for achieving more significant and inclusive urban transformations that respond more adequately to the realities of the people who inhabit Latin American cities

Anatomy of Resettlement Mohammad Zaman,2025-09-18 Anatomy of Resettlement Ethnographic Accounts and Stories in Retrospect examines resettlement as a development strategy and the ongoing controversies and debate on resettlement as a development model It chronicles the author s views and experience gathered over a period of three decades in this highly problematic and much debated field The narratives based on his work in many countries examine the state of resettlement and development policies and practices in four selected countries Bangladesh

China India and Pakistan The book demonstrates that resettlement works and that the affected people including the marginal and vulnerable groups benefit more from project development The overall findings from the case studies lend strong support to the resettlement with development Rwd paradigm with an attempt to reframe the debate more toward the management of resettlement for better outcomes **Good Practices in Resettlement** Hari Mohan Mathur,2024-11-15 In this collection

well known resettlement and development practitioners examine successful resettlement practices based on examples from Bangladesh Bhutan China Colombia Costa Rica Democratic Republic of Congo Ghana India Indonesia Japan Mexico the Philippines Russia and Vietnam **Dynamics of Change** Mr. Rohit Manglik,2023-04-23 Studies forces driving societal
