Social Impact Measurement for a Sustainable Future Richard Hazenberg, Claire Paterson-Young, 2021-11-16 This book explores the history of social impact measurement offering justifications for the use of social impact measurement in modern society It seeks to uncover the tensions inherent in social impact measurement especially between creating and measuring social value creation As the world becomes ever more globalised in its focus to deliver sustainable solutions to social and environmental problems frameworks such as the United Nations Sustainable Development Goals SDGs provide basic structure through which social impact can be assessed and compared globally Nevertheless constructive critiques of such approaches are required to ensure that they do not misinform stakeholders disenfranchise the disadvantaged and exacerbate existing social problems In providing this overview the book seeks to offer a critical review of the social impact measurement field centred on concepts of empowerment and social action Weber 1978 whilst also demonstrating best practice and potential pitfalls to policymakers and practitioners

Selling Social Jennifer Sumner, Andrea Chan, Annie Luk, Jack Quarter, 2023-01-31 Since the 2010s all levels of governments in Canada have gradually initiated social procurement as a policy tool to further their social values and political agendas Social enterprises of various shapes and sizes across the country have served as partners in the execution

of those agendas *Selling Social* examines the experiences of these enterprises in social procurement and social purchasing. *Selling Social* presents the findings of a three year Canadian research project detailing experiences of work integration social enterprises WISEs selling their goods and services to organizational purchasers including governments businesses and non profit organizations. Drawing on survey findings and interviews the book explores a diverse group of social enterprises from across Canada showcasing their successes and their challenges based on real life examples to aid social enterprises that are considering this path. The book emphasizes the importance of including social and environmental considerations in procurement and purchasing decisions particularly at larger scales and through public policy. In doing so *Selling Social* extends the understanding of social enterprises beyond their social and economic outcomes and into the broader movement towards responsible procurement and purchasing.

Social Economy Science Gorgi Krlev, Dominika Wruk, Giulio Pasi, Marika Bernhard, 2025-05-15 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence. It is free to read at Oxford Academic and offered as a free PDF download from OUP and selected open access locations. Lack of progress in the area of global sustainable development and difficulties in crisis management highlight the need to transform the economy and find new ways of making society more resilient. The social economy is increasingly recognized as a driver of such transformations; it comprises traditional forms of cooperative or solidarity based organizations alongside new phenomena such as impact investing or social tech ventures that aim to contribute to the public good. *Social Economy Science* provides the first comprehensive analysis of why and how social economy organizations create superior value for society. The book draws on organizational theory and transition studies to provide a systematic perspective on complex multi stakeholder forms of action. It discusses the social economy's role in promoting innovation for impact as well as its role as an agent of societal change and as a partner to businesses governments and citizens.

Social Purposes Enterprises, 2014 *Understanding the Social Economy* Jack Quarter, Laurie Mook, Ann Armstrong, 2017-11-21 The second edition of *Understanding the Social Economy* expands upon the authors ground breaking examination of organizations founded upon a social mission: social enterprises, non profits, co-operatives, credit unions and community development associations.
