## The Vietnam War

During the 1950s and 1960s, the United States helped another war against Communist forces in Asia—the Vietnam War. Vietnam is a country in Southeast Asia. It was divided into two sections—North Vietnam and South Vietnam. North Vietnam was controlled by Communists, and South Vietnam was controlled by a government friendly to the United States. The communists in South Vietnam wanted to take over South Vietnam.

Combat in Vietnam

The United States decided to help South Vietnam stop the spread of Communism. This was important because many people thought that if South Vietnam became Communist, all of Southeast Asia would soon come under Communist control, too. This was known as the "Domino Theory."

Other nations also feared that support helped one side or the other in the war.

South Vietnam Allies		North Vietnam Allies	
United States	South Korea	Soviet Union	
Australia	Thailand	China	
New Zealand	Philippines		

At first, the United States just provided aid and advice to South Vietnam. However, American aid kept growing. By the mid 1960s, the United States was sending troops rather than just military advisors to Vietnam. Americans

were divided over whether the United States should be involved in Vietnam. There were many reasons against the war.

## Old Enough to Fight, Not Enough to Vote?

Read about the Vietnam War cartooned in the cartoon of the 1960s. The U.S. Constitution. President argued that if men could be sent to fight in America if 18, they should be able to vote at 18. The cartoonist showed the voting age from 17 to 18.
