- **Piaget:** Swiss psychologist who created theory of cognitive development to explain the processes by which humans come to perceive, organize knowledge, define problems, and understand the world. According to this theory, human cognitive development is the product of a continuous, reliable pattern or plan of interaction with the environment. Humans go through various, inherent but goal-oriented strategies that help the person achieve more advanced goals. These schemes are continuously (re)creating to follow and work with, in which patterns and modes (schemes are generated) and cognitive (based on experience and on mental images, reflecting the person's ability to develop the use of abstract reasoning and symbolism).
- **Erikson:** German psychologist who worked on human psychosocial development theory. Created 8 stages of life.
- **Robert Rorty:** Proposed panic stage, calling it both narcissism and development in women. Thought, theory proposed that men experience feelings of inferiority because they cannot give birth to children.
- **Western & Eastern:** Created another basic distinction, which focuses on pregenetic nature, begins with non-specific teaching only, leads to genital teaching. Used to measure pleasure without pressure to perform early, or achieve orgasm.
- **John Turk and Virginia Johnson:** started functional theory. They attributed to the school of life as P & J and influenced the work of Marshall McLuhan & Marie. This school was presented in contrast to the dogmatic school of thought (which was previously psychoanalytic).
- **Anna Freud:** worked on psychology
- **Willy Reich:** founder of gestalt theory
- **Malcolm:** founder of object relations theory
- **Carl Rogers:** founder of client-centered theory
- **Freud & Malcom & Garvin:** founder of systems theory
- **Adrianne:** "Father of family therapy." He particularly used a psychoanalytic approach, insight oriented.
- **Kate & Whitaker:** Communication in family therapy. Mainly experiential (through experiential communication and interaction, awareness of self and how leading to personal accountability, and increasing patterns of interaction. Later focused on communication problems, double bind, family communication is critical for love and success, and the presence of a particular kind of therapist. Whitaker mostly oriented with communication and discussed the transference phenomenon. Initially communication family therapy acknowledged that transference has been used provide a foundation for family problems, but they did not try to interpret these factors. Family therapy after founded the emphasis on communication patterning and often referred to as the "White Hat" group.

Social Work ASWB Advanced Generalist Exam Guide

Dawn Apgar, 2016-04-06

Students and social workers preparing for the social work advanced generalist licensure exam will find an invaluable study resource in the Social Work ASWB Advanced Generalist Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the United States, this guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Advanced Generalist Knowledge Skills and Abilities upon which the exam is based and incorporates information from the DSM-5. The guide is comprehensive yet focused on the material most likely to be included on the exam, so readers can prioritize information as they study. A self-assessment section helps identify strengths and weaknesses before tackling the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide, with explanations of the correct answers, mirrors the actual exam in both length and structure. Content includes human development, diversity, assessment and planning, direct and indirect micro and macro practice, and professional values and ethics. This book will be a valuable asset for social workers throughout the United States and Canada.

Key Features: Developed by a highly respected educator of social work licensure candidates. Covers all of the content areas on the advanced generalist examination, including new content added in 2015. Begins with a self-assessment section to help
