Straightforward Statistics Chieh-Chen Bowen,2015-09-16 Straightforward Statistics by Chieh Chen Bowen is written in plain language and connects material in a clear logical manner to help students across the social and behavioral sciences develop a big picture understanding of foundational statistics Each new chapter is purposefully connected with the previous chapter for a gradual accrual of knowledge from simple to more complex concepts this effective cumulative approach to statistics through logical transitions eases students into statistics and prepares them for success in more advanced quantitative coursework and their own research

A Teacher Between Worlds Lillian Cui Garcia,2019-09-03 This is a collection of essays I ve written through the years reflecting on my teaching journey in a northern Canadian community college They are interwoven with memories about my earlier Alberta government researcher s job and my first teaching experience in Cebu Philippines Also intertwined with them are remembrances of my family friends colleagues and benefactors It is a social history memoir that touches on a number of contemporary Canadian Native Peoples and Philippine history It s an invitation for teachers and newcomers in a place to reflect on their own comparable journeys while walking with me through my experiences integrating my minority status as a woman of colour in the academic world and the Canadian cultural mosaic where I sought and found acceptance respect and even affection My observations about teaching family friendship the arts health concerns majority and minority relations and transformation resonate with the abiding belief of social scientists in humankind s oneness in mind and spirit They are timely reminders that in an increasingly fractious world we are better off engaging with each other grounding ourselves in honesty civility and compassion as we share space and help navigate this magnificent boat called Earth

My Brother Tom James J. Ware,James J. Ware Jr,2008-04 This biography of Thomas E Ware covers 78 years of relentless struggle for achievement and success in a segregated society on the streets of Washington D C Starting in 1929 and ending in 2007 As his younger brother I was blessed to grow up with him and watch him skillfully work his way through numerous Jim Crow policies educational barriers adversity and police intimidation Excerpts from passages in the book Chap 5 During the 1930 s 1201 was a land mark stop over point for family members migrating from the south At one point I counted five families with twenty three people living in our four bedroom home I slept in the bathroom tub While others slept on floor pallets Chap 3 The highlight of our corner experience was the appearance of the local police As they got closer to our group some one would yell police and we would scatter and hide After passing us some one would yell all clear and we would return One day Tom said we have not done anything wrong why should we run every time we see a policeman I m not going to run anymore Nervously I sat with him Chap 1 When we were little guys I remember Tom telling me There is no Santa Claus This is all a game but I want my toys on Christmas Day I said yes there is a Santa Claus look at all the toys he brought us last year Tom said alright tell me how a group of reindeer can fly through the air with no engine power or wings And how can Santa bring toys to all the kids on our block in his small sled and

how can a big fat Santa slide down our small chimney We decided to wait up for Santa on Christmas Eve Finally we say our parents placing toys under the tree for us We knew then that our parents were Santa Claus We still rejoiced on Christmas morning I am pleased that my survival in life is attributed to the life goals that he set for himself but I followed His inner strength tenacity and visionary leadership were helpful to many people whose lives he touched He was a courageous remarkable man James J Ware Jr **Cambridge Game Changer : Guaranteed Pass for Cambridge "O" & "A" Level Exams.**

Skills Mania Bob Davis, 2000 In *Skills Mania*, Bob Davis argues passionately that the emphasis in the secondary school classroom must shift from a technocratic, skills based approach to teaching and discussion that focuses on real substantive issues. He also calls for a new emphasis on the teaching of history, a practice that has been sadly lacking in recent years. Two central qualities warm up this book: first, the story is told through the author's own teaching; and second, the author presents us with an original and frank point of view. This is a stirring, engaged and practical book.
