Program Curriculum 2017 Level I, Volumes 1 - 6 CFA Institute, 2016-08-01. Clear concise instruction for all CFA Level I concepts and competencies for the 2017 exam. The same official curricula that CFA Program candidates receive with program registration is now available publicly for purchase. CFA Program Curriculum 2017 Level I Volumes 1-6 provides the complete Level I Curriculum for the 2017 exam delivering the Candidate Body of Knowledge (CBOK) with expert instruction on all ten topic areas of the CFA Program. Fundamental concepts are explained with in-depth discussion and a heavily visual style while cases and examples demonstrate how concepts apply in real world scenarios. Coverage includes ethical and professional standards, quantitative analysis, economics, financial reporting and analysis, corporate finance, equities, fixed income, derivatives, alternative investments and portfolio management, all organized into individual sessions with clearly defined Learning Outcome Statements. Charts, graphs, figures, diagrams and financial statements illustrate concepts to facilitate retention and practice questions provide the opportunity to gauge your understanding while reinforcing important concepts. The Level I Curriculum covers a large amount of information; this set breaks the CBOK down into discrete study sessions to help you stay organized and focused on learning, not just memorizing important CFA concepts. Learning Outcome Statement checklists guide readers to important concepts to derive from the readings. Embedded case studies and examples throughout demonstrate practical application of concepts. Figures, diagrams and additional commentary make difficult concepts accessible. Practice problems support learning and retention. CFA Institute promotes the highest standards of ethics, education and professional excellence among investment professionals. The CFA Program Curriculum guides you through the breadth of knowledge required to uphold these standards. The three levels of the program build on each other. Level I

provides foundational knowledge and teaches the use of investment tools Level II focuses on application of concepts and analysis particularly in the valuation of assets and Level III builds toward synthesis across topics with an emphasis on portfolio management *New Models of Financing and Financial Reporting for European SMEs* Eva Kaili,Dimitrios Psarrakis,Raz van Hoinaru,2019-02-28 This book looks at the 23 million registered Small and Medium Enterprises SMEs that make up 98 per cent of the EU economy Addressing the high end of SMEs in terms of new models for SME funding and financial reporting this merged way of looking at SMEs reveals a myopic thinking in terms of net present value and future cash flows generating short termism and low risk appetite for business This is not an accounting issue but rather a preference toward certain financial tools A segment of SMEs the ones that seek new ways of funding possibilities as well as modern technologies MTFs listing blockchain ICOs etc do require even without knowing IFRS for SMEs This book reveals how market conditions impact the financial performance and sustainability of SMEs and also generate innovative policy interventions and financing strategies for SME integrity and efficiency The authors frame their arguments in the context of the Capital Markets Union looking at the Innovation Triangle SME growth ecosystem and business models They conclude by advocating for closing the circle of financing and financial reporting for SMEs while considering if new financial models of financing and financial reporting are good for all the SMEs or only for some The economy is being shaped by new models of financing and financial reporting Read this practitioners view to understand the current changes and challenges
