### ADDITIONAL REQUIREMENTS FOR THE PLANNED UNIVERSITY

The language of learning and teaching at WU is English. All our academic programmes require that students will have taken English B1 (B1 level in the English for additional language (ELF) level). However, in accepting the B1, the additional points apply to any of the official languages listed in the B1.

The minimum requirements are based on the results that applicants achieved in the South African National Senior Certificate (NSC) examinations. Applicants who hold certificates from a different examination system will be considered individually for admission.

**Minimum B1:** If you satisfy the minimum requirements stated here, it does not mean that you will automatically be admitted to the study programme at WU. The final decision on your admission will be based on your academic performance and the availability of space in the programme. If your academic performance is above the minimum requirements, your chance of being admitted to study at the University will be higher.
