ADDITIONAL REQUIREMENTS FOR THE PLANNED UNIVERSITY

The language of learning and teaching at UWC is English. All our academic programmes require that students will have taken English 10, 11 & 12 as a condition for admission to any of the programmes at UWC. The additional points apply to any of the other language requirements.

The minimum requirements are based on the results that applicants achieved in the South African National Senior Certificate (NSC) examinations. Applicants who hold certificates from a different examination system will be considered individually for admission.

Minimum entry: If you satisfy the minimum requirements stated here, it does not mean that you will automatically be admitted to the study programme at UWC. The final decision on your admission will be based on your academic performance and the availability of space in the programme. If your academic performance is above the minimum requirements, your chance of being admitted to study at the University will be better.
