Johnson,2020-12-17 This book uses the emerging and cutting edge area of leisure research to highlight the importance of sexuality and sexual activity and its relevance to leisure studies It brings to the fore some complex issues associated with this topic using a range of substantive epistemological theoretical and methodological approaches Drawing on international scholarship the book examines sexuality from multiple and at times competing directions exploring the continuum of sex from work through to carnal pleasure and across specific sexual practices including BDSM pornography stripping and sex work Drawing on critical feminist queer and post theoretical perspectives the book charts a new direction for leisure studies and sex research including diverse understandings of leisure practice sex positivity fringe and deviant sex practices Critically the book moves beyond merely establishing sex as a leisure pursuit to focusing on the compelling and complex intersections between sexuality and leisure This is fascinating reading for any student or researcher with an interest in leisure sexuality gender cultural studies or sociology *Church missionary intelligencer* ,1868 *Church Missionary Intelligencer and Record* ,1868 *Sermons and Discourses* Thomas Chalmers,1846 *Select Works of Thomas Chalmers ...* Thomas Chalmers,1848 *The Quarterly Christian Spectator* ,1819

The Christian Spectator ,1819 *Overcoming Fear (Growing Pains #2)* Willow Summers,2014-04-01 With the shadows of Krista s past constantly lingering over her Krista tries to keep herself at a distance from the handsome and effervescent salesman Sean The problem is the more entwined they become working as a team to land the huge client the closer they inevitably get Soon Krista can t help but face the feelings that have grown between them Sean doesn t have a great track record with women He s always known how to get them but keeping them has always been another story He often jumps in with both feet gets tangled and goes running It is when each of them finally face their fears allowing the other in that the real danger shows itself Some pasts are harder to ignore than others **Landmark Cases in Criminal Law** Philip

Handler, Henry Mares, Ian Williams, 2017-05-04 Criminal cases raise difficult normative and legal questions and are often a consequence of compelling human drama In this collection expert authors place leading cases in criminal law in their historical and legal contexts highlighting their significance both in the past and for the present The cases in this volume range from the fifteenth to the twenty first century Many of them are well known to modern criminal lawyers and students others are overlooked landmarks that deserve reconsideration The essays often based on extensive and original archival research range over a wide spectrum of criminal law covering procedure and doctrine statute and common law individual offences and general principles Together the essays explore common themes including the scope of criminal law and criminalisation the role of the jury and the causes of change in criminal law Sex, Violence and the Body V. Burr, J. Hearn, 2008-10-30 This unique book examines the relationship between wounding and sexuality bringing together issues around sexuality gender power violence and representations Drawing on a range of disciplines including cultural and media studies sociology and psychology it explores social practices such as S M cosmetic surgery and extreme sports

Sociocultural Issues in Psychiatry Nhi-Ha T. Trinh, Justin A. Chen, 2019-02-26 As the demographics shift within the US population the importance of culture on mental health diagnosis and treatment has become critical for education and clinical training in psychiatry While it s impossible to gain an in depth understanding of every culture clinicians need to have the skills and knowledge required to provide culturally respectful care for an increasingly diverse clinical population By explaining fundamental concepts in cultural psychiatry using a case based format clinicians and educators in the mental health fields will be able to reduce cultural clashes and unproductive clinical encounters Although similar books have focused on providing guidelines for working with discrete populations e g African Americans Asian Americans LGBTQ the purpose of Sociocultural Issues in Psychiatry is to enhance clinicians knowledge and skills by translating theory into practice across diverse patient populations and clinical contexts Mental health clinicians at all levels trainees or practitioners will benefit from the content and education provided in this book
