Her Unbridled Desire: Taken by Centaurs (Fantasy Monster Erotica) Danica Slate, 2013-11-17 For as long as she's lived Arysta has loved horses So entranced is she by their majestic beauty and strength that she really has no time at all for men not that their boorish predictable ways offer her any pleasure regardless But one fateful day while on a ride through the deepest woods Arysta happens across an awesome sight a group of Centaurs straight out of legend Arysta is enchanted by their power and equine forms And for the first time she feels something welling up deep within her a strange tumultuous lust that makes her suddenly bold with desire She may have never touched a man before but these are much more than men And she's not about to take no for an answer Excerpt Wait She ran to block Mino's path and before he could say anything she did the only thing she could think of doing she pulled down his face and kissed him It was only meant to be a distraction a way to buy time while she thought of a good idea to prevent the centaurs from leaving her behind but the moment her lips met Mino's she could not seem to think her mind seemingly trapped in a haze Not only that the sensation she had felt earlier had returned her heart pounding once more She had never kissed a man before and now she suddenly understood why her sisters longed for it so much Sure it felt a little strange but she could not help but want more and more of it More She parted her lips feeling that it was the right thing to do and the moment her tongue met Mino's she could not help but shiver His tongue felt so warm so soft so slippery against her own and it tasted unlike anything she had ever tasted before Gently she prodded it while she moved one of her hands down to slither and slide across Mino's chest her fingers brushing against one of his nipples At that point he let out a groan and for a moment she was afraid he would toss her aside and leave her behind for good but then she felt his hands in her hair and his tongue come to life mingling with her own and she could not help but feel a surge of triumph One of his hands closed around locks of her hair pulling on them hard enough to cause pain Strangely though it did not bother her instead adding to the excitement simmering inside her The other moved down past her shoulders to where her cloak was fastened tugging on the knot until it came loose the cold air on her skin making her suck in a breath He broke the kiss and pushed her against a tree trunk his eyes darkened with lust as they stole across her tiny form Mino Tarim spoke approaching them Are you sure about this She asked for it Mino reminded his gaze still on her Perhaps this will teach her what it means to bargain with centaurs *Centaur Bride (Monster Erotica)* Grey Lola (author), 1901

Enchanted: Seducing the Centaur Tribe (Monster Erotica) Danica Slate, 2013-11-17 Reilana is a mighty Enchantress one of the chosen Elvish mystics who harvest sexual energy and channel it into dark and powerful magicks that bewitch the mind and beguile the body But when the evil warlord Caldax sends a force of savage Centaur Warriors against her the elf maiden finds her magicks have little power against the inhuman creatures But Reilana is not one to give up so easily and the Centaurs have something she greatly desires an animalistic almost primal sexual force Soon she has turned the tables on her Centaur captives as they become entranced not by her spells but by her very flesh itself Excerpt Reilana

shuddered as she pushed herself up onto her hands and knees She trembled more in embarrassment than in fear she had been in worse situations before and escaped unscathed but she hated the indignity of being forced to submit in front of her people She would not take it lightly No she would find a way to bend these creatures to her will As she moved she felt a familiar tingle along her spine an increase in arousal that began at her core and spread gently like the warmth of a candle s flame The magic was still flowing within her seeking release as it always did But she had been trapped unable to expend the energy that now coursed through her veins Her heart pounded She could feel her dress had ridden up when she fell and could now almost feel the burning gaze of the centaurs as they looked at her creamy thighs and heart shaped ass Reilena shivered again but this time it was desire rather than revulsion She felt her skin turning red She stayed there for a moment her ass swaying gently side to side as she concocted a plan The beasts were eying her with a mixture of curiosity and undisguised interest They were powerful towering creatures their human halves deeply tanned and rippling with muscle as they shifted from leg to leg She stood slowly keeping her back to the centaurs as she brushed hay from herself making sure to pay special attention to her nipples so that they stood erect under the thin dress She adjusted the fabric so that the valley of ivory flesh between her breasts was plainly visible and then turned to face them once again her gaze no longer defiant but now darkly playful She could see the lust in their gazes the very human desire for a man to want a woman such as her mingling with the bestial desire to rut She affected her best pout her blue eyes shimmering I ve never slept in a stable before Surely you can spare one of your men to help me build a suitable bed from this straw *Promised to the Centaur Tribe (Monster Fantasy Erotica)* , Warrior woman Reyna is furious when she allows herself to be captured by the tribe of Centaurs who guard the dark corners of the mystical forest But when she learns that these strange inhuman beasts have something she greatly desires Reyna quickly turns the tables by offering up her own bargaining chip her young nubile body for all the tribe to mate with As the centaurs descend hungrily upon her will young Reyna fall victim to the dark animalistic passion that threatens to drive her wild with desire Excerpt Their leader raised his right hand and revealed what I d been after My sword I gasped relieved Indeed Reyna We will allow you to return to your lands with your weapon no less but only after you have given us an equivalent exchange Maybe I could just slay them and be done with it I considered Are you foolish enough to engage us all Damnit his mind reading was such a nuisance And what would be of equal value The leader approached me his hooves sounding like tree trunks banging against the earth Your body I narrowed my eyes on him We centaurs are neither complete human nor beast and as such it is rare we come across humans we are capable of mating with You seem strong though Reyna Very strong indeed We d like to test just how durable you are I stood slowly and put away my blades I looked at them all taking in their huge forms They were all strong all strangely attractive in their own alien way I had never been with such a creature A distant unexpected stirring of desire nettled at my insides I saw the leader s mouth twitch in a smile and knew he must ve read my mind Mated to the Centaurs (First Time Interspecies) , On the eve of her eighteenth

birthday young Kyra learns she has been betrothed to the leader of the centaur tribe that demands annual tribute from her village Giving herself over to these wild people she quickly learns that her wedding proceedings will include a savage ceremony wherein she must be mounted by all the males of the tribe But amidst this frenzy of animalistic passion Kyra also discovers a tender understanding side to the centaur people that she never expected to find Excerpt Flora nodded slowly still lost in fascination at the strange creature The centaur regarded her with open amusement looking her up and down as if appraising her What is it Flora asked stifling a shiver She wasn't sure if she liked the look in his eyes Most humans are small but you are especially tiny I am starting to wonder if you might break in two during the ceremony tomorrow C ceremony she asked A knot was forming in her stomach though she didn't know why I would normally wait for the elder to explain but I'll tell you just so you have more time to prepare Tomorrow you will be mated to our elder From what I understand human marriages involve food drink and dancing with the betrothed am I correct Right isn't the centaurs way of marrying similar He let out a hearty laugh Very much so We have our food we have our drink but there is significant difference What is it she asked suddenly curious despite herself Our people are a tribe We function as one family one herd Every man's possessions are shared by the others his gaze once again traveled over her nubile young body There was a hunger apparent in his eyes This includes our women folk Flora's mouth fell open Wh what do you mean Her brain struggled to wrap around the centaur's words At the culmination of the ceremony every male centaur mates with the bride Only once the entire tribe has had their fill may the betrothed claim the female for his own

Rescued and Ravaged by the Centaur Danica Slate, 2013-06-24 The mystical forest is a place few humans venture but young Anya must brave it when her brother falls ill and can only be cured by a rare herb found in its most dangerous areas When Anya falls victim to a faerie trap she is unexpectedly rescued by a handsome centaur named Cole Mutual attraction leads to a forbidden lust between the two and Anya quickly succumbs to Cole's powerful desire But what future could two creatures of such different worlds have Excerpt She took a weary step forward The centaur tensed but didn't move an inch when she reached up and took his face gently in her hands You saved my life I owe you my assistance For the first time since she'd seen him his face relaxed and all of the anger that distorted his features melted away to reveal the caring man behind

the warrior His yellow eyes burned into her making her painfully aware of how badly her clothes had been shredded What s your name she asked Cole His voice had taken on that deliciously low timbre again Cole she mused The name fit him well I m Anya Will you let me help you Cole The struggle behind his eyes was clear She could see that part of him wanted to turn and run back into the forest risk the infection and leave her to her own devices But then there was that other part The part that wanted to take her up on her offer And from the way his eyes raked over her body he may have had other wants as well Wordlessly he folded his long horse legs beneath him Laying down he was still eye level with her He turned his head slightly giving her access to the wounds and she wasted no time in digging through her bag which had somehow miraculously stayed on during her attack She pulled out some bandages and a salve that she always kept on hand then scooped gracious amounts of it over his cheek You ll always have the scars she said brushing his hair back with gentle hands But this will keep them from being as bad as they could be
