# Welcome Letter To Catechists

## **Welcome Letter To Catechists:**

*Creative Ideas for Catechists* Ruth Ann Rost, 1997-08 Rost takes us into the delightful dimension of creative catechetics with its powerful impact on children's faith learning. She first leads us in an exploration of our own creativity, our sense of prayer and our own sense of discipleship. She then suggests ways to enliven the gathering space using the children's five senses to help open them to these rich faith experiences. She offers approaches to the critical factors in preparation, presentation and procedure that make for successful empowerment of the children's faith learning. She also includes scores of practical ideas for involving primary and middle grade children in making prayer, helping them express their unity with God through prayer. Finally, she discusses the many resources essential to our own spiritual formation which must go hand in hand with that of unfolding a vibrant faith life in children. An excellent resource to inspire, encourage and sensibly guide catechetical ministry as it is meant to be: joy-filled, revitalizing and life impacting. *Welcome The Spirit* Mary Bernard Potter, Nigel Bavidge, 2003-10-01. *Welcome the Spirit* was developed by the Diocese of Leeds RE Centre and extensively piloted in that diocese. It provides material for Confirmation preparation in an introductory session and eight meetings. *On Our Way with Jesus* Francoise D. Berube, John-Paul Berube, Lise Lachance, 2001-09. This innovative approach to the sacraments of Eucharist and Reconciliation is built on the belief that children grow in faith best when their parents and parish community accompany them on their faith journey. *In Your Eyes I See My Words* Pope Francis, 2020-10-27. The homilies and speeches of Archbishop Cardinal Jorge Mario Bergoglio from 2009 through his election as Pope Francis in 2013. These writings provide an intimate glimpse into the theological, philosophical, scientific and cultural educational currents that forged the steady, loving and nurturing leadership style with which Jorge Mario Bergoglio guided the Church in Buenos Aires, Argentina. That style has now done the same for the Church from Rome, a Church rocked by financial and moral scandals and a world shaken by the worst global pandemic in a century. These writings were kneaded, a word he uses when talking about the work of molding the souls and character of youth and seminarians in the relationships he formed in his bus rides to work and in his intense contact with all segments of the population. Because of that careful and prayerful process of kneading, they have found their full development in Bergoglio's writing as Pope Francis, especially in *Evangelii gaudium* November 2013. *Gaudete et exsultate* On the call to sanctity March 2018 and his encyclical *Laudato si* May 2015. In this final volume of Bergoglio's homilies and papers, we meet European theologians and thinkers such as Hans Urs von Balthasar, Henri de Lubac, Bergoglio's friend, the Uruguayan philosopher Maritain, the literary figure Miguel Angel Asturias and Enrique Santos Discipolo, a singer and composer of tangos that decry corruption. In a prophetic conclusion, the last homily of this volume is an outline of the roadmap Pope Francis has followed throughout his papacy: one defined by ongoing love and care for God's people that seeks to spread God's merciful anointing to those living on the margins of life. *Mission Field*, 1873.
