

SPEECH FOR FRESHER'S PARTY

Hello! Good morning to every one of you present over here and Warm Welcome all fresher's as we are eagerly waiting to know you all. So welcome to this whole new world guys!

Before going ahead, I would like to extend a warm welcome to every person present over here. Also, I would like to extend warm gratitude to all for giving me this beautiful opportunity to welcome all the fresher's to our small family. This day is a day of nostalgia for many; it is a day with many new mixed feelings of happiness, confusion, fear, and excitement. But don't worry; we all are here for you, to make sure that this journey is memorable for you all.

This party is just an informal introduction to you all from our side. A year ago, I was also sitting at your place, waiting for this journey of life to start, and trust me; this is going to be the best rollercoaster ride of your journey, full of fun, knowledge, growth, and ultimate success. The day you will end this journey, you will surely miss the memorable time that you are going to spend here.

Well, today, it is the day when the excitement is going to be at the peak. This is an event perfect to increase your friendship with your colleagues as well as your seniors. This place is not just about education and training but also about building a personality, an attitude, a character, and a versatile person. So, be ready to capture some magical moments, make happy memories and friends, who are going to surround you for a lifetime with happiness.

There must be lots of questions flashing before you. What is this place like? How are people? Will I be able to mix? Will I be able to get what I am searching for? For all this, I would like to say just one word, Relax. Even when I started I too all had these questions, but frankly, I got all the answers positively, and I am sure you all will to. So, welcome again to our small and beautiful family, which is full of love and happiness, learning, and success.

To conclude, I would urge you to meet and greet everyone and make a cordial relationship with all. I would also like to ask you to be enthusiastic and participative in every event to come. Try to be extraordinary in every case to stand out and shine your way out. We all have extremely high expectations for all people and are quite positive that you are going to cross all the barriers to fulfill those expectations. With efforts and consistency, you can achieve anything you wish. At the end of this journey, you are going to have a treasure of memories.

In the last, I would like you all to enjoy this moment to the fullest. This is evening is yours and it is a big festival for you all. Also, I would like to thank everyone for providing this opportunity and an extraordinary forum. It was my pleasure to share my thoughts with you all here and welcome you all. So let us get this party full of music and fun started to create some beautiful memories.

Much thank you to all of you. Have a great evening!
