Welcome to Windmill Daniel Cross, 2010-06-03 Pick a card Any card With this trademark phrase along with a wink a winning grin and a handful of entertaining card tricks Mr Mercury Ecks has come to town Windmill Indiana to be exact And while the citizens of this 1950s Midwest farm town are naturally wary of strangers they soon fall prey to the drifters principal charm For Mr Ecks knows things Things about the people in town Things that can help them Help solve their problems Relieve their fears Remove their obstacles And all he asks in return for sharing what he knows is a fee a small fee Or so it seems at first But the small fee turns out to be much larger Too late do the towns citizens learn Mr Ecks secret purpose The destruction of lives The destruction of communities The destruction of Windmill itself For Laura Connerson newly returned to Windmill Mr Ecks gift of mind reading is especially tempting Her young daughter has recently gone missing and the stranger seems to know something about it Or more specifically seems to know something hidden in Lauras mind about it Some bit of evidence lost in the depths of her memory A memory a clue waiting to be retrieved by him For a price The grinning prancing drifter offers to help Laura probe her memory for the clue to her daughters disappearance But what he asks in exchange for his service is more than she is willing to pay Unless she can beat him at his own evil mind games I am going to penetrate you Laura First your mind Then the rest of you Welcome to Windmill is the first book in a series about quaint but luckless Windmill Indiana A town that misfortune seems to favor but whose citizens nevertheless manage to survive and even thrive Three years after Mr Mercury Ecks disastrous visit another stranger Nathan Devlin arrives with an old chest full of curious objects for sale Curious and some would say magical But once purchased these seemingly innocent curios begin to work more than magic on the good citizens of the town And trinkets that seem quaint at first turn dangerous What is behind their power And why has this stranger brought them In Rabbits Foot a mans bitterness and confusion over an old heartbreak wreaks new havoc on Windmill Until an ordinary rabbits foot reveals the truth of Nathans lost love Julia And leads the two aged lovers to each other for a final reconciliation Yet three years later another stranger Norma Swann by name sets up shop in Windmill A tea shop to be exact called Sweet Dreams The citizens of Windmill by now weary of strangers bearing strange gifts try to avoid

her shop with its tempting assortment of tea cookies candles and bright knickknacks Norma however will not be ignored She has a special Gift and she plans to share it For Norma can send dreams to you in your sleep Be nice to her buy her tea chat with her and you will get good dreams happy dreams sweet dreams But if you should happen to offend her Well prepare to be driven sleeplessly horribly mad Read all about Mercury Nathan Norma and the people of Windmill Indiana Where bad things happen to a good town Write to the author at jvshepherd1 aol com Cover photograph by Judy Butz Cover design by Bill Ferguson Judy Butz and Anne Shepherd **Welcome to the club** DJ Paulette,2024-01-23 In Welcome to the club

All Poets Welcome Daniel Kane,2003-03-26 This landmark book together with its accompanying CD captures the heady excitement of the vibrant irreverent poetry scene of New York s Lower East Side in the 1960s Drawing from personal interviews with many of the participants from unpublished letters and from rare sound recordings Daniel Kane brings together for the first time the people political events and poetic roots that coalesced into a highly influential community From the poetry reading venues of the early sixties such as those at the Les Deux M gots and Le Metro coffeehouses to The Poetry Project at St Mark s Church a vital forum for poets to this day Kane traces the history of this literary renaissance showing how it was born from a culture of publicly performed poetry The Lower East Side in the sixties proved foundational in American verse culture a defining era for the artistic and political avant garde The voices and works of John Ashbery Amiri Baraka Charles Bernstein Bill Berkson Ted Berrigan Kenneth Koch Bernadette Mayer Ron Padgett Denise Levertov Paul Blackburn Frank O Hara and many others enliven these pages and the thirty five track CD includes recordings of several of the poets reading from their work in the sixties and seventies The Lower East Side s cafes coffeehouses and salons brought together poets of various aesthetic sensibilities including writers associated with the so called New York School Beats Black

Mountain Deep Image San Francisco Renaissance Umbra and others Kane shows that the significance for literary history of this loosely defined community of poets and artists lies in part in its reclaiming an orally centered poetic tradition adapted specifically to open up the possibilities for an aesthetically daring playful poetics and a politics of joy and resistance

Welcome the Little Children Lynda McDaniel, 2018-11-16 I've come to think of these characters as cherished friends I've loved each of the books but this one was particularly enjoyable L G Yaldezian Laurel Falls N C 1994 I would never have risked so much if it hadn't been for that kid Astrid Holt a force of nature She brightened things at Coburn's General Store every time she stopped by for recipe ideas at eight years old That should tell you something about what was going on in her household So when Astrid's mother disappeared lost in the woods kidnapped murdered how could I turn my back on her My friend Abit Bradshaw and I joined the search It started close to home in our small town of Laurel Falls then extended farther into the mountains of North Carolina When that failed to turn up clues the investigation reached the streets of Washington D C my old stomping grounds Abit and I often asked ourselves if we would ever get to the bottom of all their secrets and lies Given how broken their family was we also wondered if we should even try As it turned out we weren't dealing with just the Holt's troubles The tragic stories that unfolded cast a shadow over our own splintered families Abit worried if he'd ever find someone faithful and true and I wondered if I could hold on to what I had Della Kincaid You'll enjoy this suspenseful mystery because who doesn't yearn to see wrongs righted If you love Jacqueline Winspear Sue Grafton and Cheryl Bradshaw no relation to Abit Bradshaw that we know of you're sure to enjoy the Appalachian Mountain Mysteries series Get it now for the rich natural setting colorful characters and suspenseful investigations Welcome the Little Children is the third novel in the Appalachian Mountain Mysteries series by award winning author Lynda McDaniel Interview with the Author Q What's important about this third book A Abit is a grown man gaining success in both his woodworking and bluegrass music And yet he hasn't lost his tender heart and wonder about life Della faces some hard decisions especially about how to best help her young friend Astrid And of course she's there for Abit Their friendship is the backbone of all the Appalachian Mountain Mysteries So fun to watch the characters develop and watch Abit find and truly fulfill himself I highly recommend all books in this series Cynthia Williams Q What's different about this book A Both Della and Abit spend time in Washington D C as well as the small town of Laurel Falls N C Della calls on all her former skills as an investigative journalist Abit goes to many of my favorite places in D C As much as my life was shaped by my years in the mountains of N C it was polished while I lived in D C Q Any new characters in Welcome the Little Children A Astrid Holt is a favorite She's such a colorful little 8 year old strong and full of beans The mother children drama is particularly poignant to me I got the idea for her character from a neighbor who told lively stories

from her youth That's what writers do we're like magpies and steal shiny morsels we take back to our writing space When Astrid's mother goes missing Della takes it on as a personal mission to find her one way or another I really loved this book as I have all the books in the Appalachian Mountain Mysteries I have such a vivid picture of the people and places in these books it's hard to believe they don't really exist Malena E Q In what order were these books written A Life for a Life The Roads to Damascus Welcome the Little Children Murder Ballad Blues Deep in the Forest Up the Creek Unwrapped After Dusk Waiting for You free prequel novelette
