personal finance life It s the key to never having to go to a job you detest to living every day on your own terms Why this
book Right now you may be browsing a few personal finance books in a library bookstore or even online Why this one Is it
worth a couple of dollars and hours of your time Here s why I ve read the others Almost every book was someone telling their
own personal rags to riches tale That s admirable but the likelihood that it s even close to you and your personal situation is
quite remote What worked for them will probably not work for you Everyone is different every situation is unique Some
assume their readers all want to be mega rich In my experience most people just want to be happy without money stress and
have a good fun comfortable life That said if you want to be rich I ll show you how to do that too So get to the point Bill why
this one Because this book is based on my experience as a financial counselor investment advisor and financial planner This
book is a user manual for your money No matter who you are there is plenty for you We cover FIRE Financial Independence
Retire Early This book is the way to financial peace to relieving the number one stressor in our lives and relationships It s the

trip you about buying a latte I m going to convince you that doing the right things now getting over the hump in a short
period means buying all the lattes and new cars you want with cash not credit for the rest of your life Those lattes will taste
so much better and you ll enjoy the ride more in a car you own not the bank You ll watch the former car payment money grow
like weeds in your investment accounts Can you trust me Yes you can I ve helped countless people and I want you to do well I
want you to be happy and enjoy this one life we get as far as we know This book is for you This is generational knowledge for
your kids and parents Who am I When I was a kid I was a huge superhero fan I d sit in the corner luncheonette and read
comic books on my way home from school until the owner would throw me out I didn t have the money to buy them my
parents didn t have the money to give me I d peek out from my bedroom at night and see my mother stressing out over a
kitchen table full of bills writing out checks and stuffing them in envelopes Kiss your money goodbye I heard more than once
hence my title I watched my father come home from work exhausted especially as he got older I didn t want to be the
superhero who could fly be invisible shoot lasers out of my eyes or swing from building to building on spider webs I wanted
to be the kind that could help people like my parents That s where the title of this book came from Instead of paying your
hard earned money out to everyone under the sun watching each paycheck or retirement distribution fly away you re going
