Wesley Fellowship Groups John Wesley Saints, 2014-10-22 This booklet provides an outline of how to form and conduct small home group meetings as designed by John Wesley A proven model for creating disciples and growing a local church

Waking to God's Dream Bishop Dick Wills, 2010-10-01 The demands of congregational ministry are many the rewards sometimes seem few and burnout becomes a real possibility Small wonder then that churches become stuck in a state of arrested spiritual development When the pastor is functioning in a survival or maintenance mode the church's vitality is often the first casualty Yet Wills's own experience demonstrates that churches can turn around the wind of the Spirit can be felt anew This happens when the congregation is infected by the vision of what God is doing in their midst a vision which the leaders particularly the pastor must bring before them In *Waking to God's Dream* Richard Wills shares the spiritual disciplines and insights which he believes account for the transformation of the congregation he serves from a large church in decline to one that is growing and reaching out to its community in a variety of creative ministries Detailing the steps and initiatives that led to this turnaround Wills demonstrates how personal commitment on the part of the congregation's leaders and ministers have been the key to the work they have accomplished Guidelines Small Group Ministries

Gayle Turner Watson, 2011-07-11 Covenant Discipleship Groups have a long history of helping Christians grow as disciples Based on the early Methodist class meetings Covenant Discipleship Groups provide a way for Christians today to be accountable disciples of Jesus Christ Q A s Q WHAT IS A COVENANT DISCIPLESHIP GROUP A Covenant Discipleship Groups consists of up to seven persons who meet together for one hour each week to hold themselves mutually accountable for their discipleship They do this by means of a covenant that they have written Q WHAT IS THE PURPOSE OF A COVENANT DISCIPLESHIP GROUP A Covenant Discipleship Groups are intended solely for mutual accountability and prayerful support for living as disciples in the world They are not where our discipleship happens but where we make sure that it happens Q WHY DOES THE GROUP NEED A COVENANT A The covenants we make with one another help us keep our covenant with God We make covenants with one another because we live in a world that has yet to accept God's salvation We constantly face temptations to turn away from God and we need some means of mutual support John Wesley and the early Methodists understood this need and saw that nothing short of

binding themselves to mutual accountability would suffice By the grace of God they agreed to watch over each other in love
Q WHY JOIN A COVENANT DISCIPLESHIP GROUP A By joining with other Christians in a weekly meeting members of Covenant Discipleship Groups learn to center their lives on Jesus Christ by following his teachings and supporting one another in living out the basics of Christian discipleship Q WHAT WILL HAPPEN TO ME IN A COVENANT DISCIPLESHIP GROUP A You will become more aware of God s grace in your life You will find new ways of serving God and your neighbor You will find your understanding of God s will greatly enhanced Q How WILL THIS BOOK HELP ME A This handbook is primarily a practical reference manual for starting developing sustaining and incorporating Covenant Discipleship Groups into the mission and ministry of the church

As Pilgrims Progress - Learning how Christians can walk hand in hand when they don't see eye to eye Stephen John March, David E. Bjork, 2015-05-29 This book is for Roman Catholic and Evangelical Protestant lay people who wonder what relationship if any they might have with their friends who come from a different Christian faith tradition than their own The authors aim to address that question in a practical way They believe that while disagreements remain it is possible to preserve the integrity of the faith while relating positively to Christians who cherish other beliefs The opinions expressed in this book grew out of nearly thirty years of experience as evangelical protestant missionaries ministering in catholic parish communities in France The goal of the book is to move the readers beyond simply understanding each other to a place where they might begin using their diversity to stimulate and encourage each other in our common pursuit of obedient discipleship We know of no other book which targets ecumenical lay relations in this way
