Whale Rider Study Guide Film Education:

Ageism in Youth Studies Gayle Kimball, 2017-05-11 Ageism is prevalent in a great deal of current scholarship in the social sciences as scholars fault youth for being delinquent or politically apathetic Researchers ignore young people's actual voices despite their leadership in recent global uprisings some of which unseated entrenched dictators Neoliberalism must be exposed in its focus on youth sub cultures and styles rather than economic barriers caused by growing inequality and rising youth unemployment rates Ageism in Youth Studies also discusses the debate about Generation We or Me and if Millennials are narcissistic Resources about global youth studies are included along with the results of the author's surveys and interviews with over 4 000 young people from 88 countries

Teaching, Learning, and Schooling in Film Daniel P. Liston, Ian Renga, 2014-12-05 Films about education provide many of the most popular interpretations of what teaching and learning mean in schools An analysis of this medium reveals much about the historical cultural political and philosophical dimensions of education Timely and engaging this book fills a gap for scholarly and informed public commentary on the portrayal of education in film offering a wide range of conceptual and interpretive perspectives Teaching Learning and Schooling in Film explores several key questions including What does it mean to be a good teacher How do these good teachers instruct When is and what makes teaching complex What constitutes learning Do educational reforms work The book's interdisciplinary group of contributors answers these important questions in essays highlighting Hollywood independent and documentary films Prospective and practicing teachers will engage with the thought provoking educational issues raised in this book and gain insight into the complexities of teaching and learning portrayed in film
