

Career Plan – Career Plan After Graduation

10 pages | 2358 words

Career planning is a lifelong process which includes getting a job, working on our skills, finding out our expectations from life and even retiring. There might always be possible changes in life because our long-term and short-term plans may not match. We cannot always control things from outside such as family, friends or health issues, but once we make a career plan, it lasts as far as possible.

The career planning process should include these steps;

First thing about career planning is finding out your skills. Skill is thing that we learned how to do. People have a lot of skills that they don't know about. Identifying our skills help to find us our ideal job. It includes finding out what is important for you in job and what kind of decision maker we are.

Career planning is answer of the question "what are we doing after graduation?" after graduation most of people experiences the job search. Job hunting is an activity that a lot of us would just avoid as long as possible. We are aware that in today's world having a job became necessity of life. Even the best workers in the world cannot be through no fault in their lives. We always change our minds and we have may made wrong choices or the job that held such promise has turned to dust.

My objectives

At the end of the way, I want to be recognizing as a successful person who achieved all the goals she planned and left a positive impression in people's lives. I will have to work as hard as I can to get that recognition and I am willing to do what it takes to get that point. I approach everything in life with positive attitude and lots of enthusiasm. I strongly believe that I will be a successful person in my whole life. I want to start making my dreams come true with my degree from LSC. My goals is start to my career before I get my degree, I believe that will make me more successful. I know all of my lecturers from my college is going to prepare me to have a good life.

I am majoring in Business Administration but I also got my degree in Tourism Management in Turkey. My plan is persuade my career in Tourism. My degree which is from LSC is going to give me a lot of chance to make a difference in tourism business. After third semester of my study, I am going to apply for jobs in hotel. I want to start my career from the very first step. I want to improve my skills by learning about my subject. I am willing to do everything to be where I want to be. I also want to complete my studying by getting my MBA degree in Business. I also want to improve my skills in finance sector, so I can work in any department in any hotel. My all career goals have no geographic or salary. I am willing to relocate anywhere in order to achieve success and gain my knowledge.

In the medium term of my experience, I...
