

Dear Parents,

Welcome back!!! My name is _____ and I will be your child's Physical Education Teacher this year. I am very excited about providing enjoyable opportunities to be active in P.E. class.

Your child will have physical education once a week. Students must wear sneakers to P.E. This is for safety, comfort and full participation in class.

In physical education the expectations are: we come to learn, to try our best and be a great friend. By following these guidelines we will have positive, successful and productive physical education experiences.

Please feel free to contact me any time with questions or concerns at _____.

I look forward to a fun, safe and fit school year.

Sincerely,

Physical Education Teacher

Safety and Disaster Management in Schools and Colleges David G Kibble, 2013-10-23 First Published in 1998 The development of disaster planning in schools and colleges usually goes hand in hand with an element of safety planning the actual process of planning for disaster itself suggests improvements in procedures which

ensure a greater level of safety Preventive measures are devised which make the likelihood of tragedies and accidents befalling an institution a little less likely This training manual aims to help schools and colleges examine and enhance their own procedures for keeping pupils students and staff safe and to assist in the development of disaster plans to help them to cope better in times of crisis Until fairly recently no school had such a thing as a disaster plan or a safety and disaster plan With increased awareness of tragedies and accidents that can occur more focused health and safety legislation and one has to say the greater likelihood of litigation schools are urgently turning their attention to such matters

Visible Learning into Action John Hattie, Deb Masters, Kate Birch, 2015-10-30 Recently at the Visible Learning Conference Professor John Hattie stood up in his opening address and said I'm looking at you all and thinking What if I got this wrong I feel the same way when educators ask to visit and I always end up in the same place that Keilor Views is a living breathing example that he didn't. Charles Branciforte Principal of Keilor Views Primary School Melbourne Australia. Visible Learning into Action takes the next step in the evolving Visible Learning story. It translates one of the biggest and most critically acclaimed education research projects ever undertaken into case studies of actual success stories implementing John Hattie's ideas in the classrooms of schools all around the world. The evidenced case studies presented in this book describe the Visible Learning journeys of fifteen schools from Australia USA Hong Kong UK Sweden New Zealand and Norway and are representative of the VL international community of schools in their quest to ensure all of their students exceed their potential for academic success. Each school's story will inform and inspire bringing to life the discussions, actions and reflections from leaders, teachers, students and families. This book features extensive interactive appendices containing study guide questions to encourage critical thinking, annotated endnotes with recommendations for further reading and links to YouTube and relevant websites. Drawing on the latest research into the major principles and strategies of learning, this essential resource is structured into five parts: Know thy impact, Effective feedback, Visible learners, Inspired and passionate teachers. The Visible Learning School. Visible Learning into Action is aimed at any student, teacher or parent requiring an up to date commentary on how research into human learning processes can inform our teaching and what goes on in our schools.
