**Through the Bible** Zac Poonen, 2016-06-01 This monumental work of 1024 pages is a result of Zac Poonen s personal walk with God and his personal study of the Bible for over 50 years This is NOT a theological study but a Life application study Before studying God's Word we must understand why God gave it to us It is possible to study the Bible for the wrong reasons and I think a lot of Christians do just that We must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son that whoever believes in Him should never perish John 3 16 The primary purpose with which God gave us the Scriptures was that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring them into fellowship with Him In God's heart there is a great desire that no one should be ruined by sin and perish This commentary on all 66 books of the Bible shows that every single book of the Bible is interesting and has a message for us today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as we study God's Word Even if there are matters in the Word that we cannot fully understand let us pray Lord we want to understand Your heart even if we don't understand the meaning of everything in Your Word We must pray as we study the Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we miss seeing the heart of God God reveals His heart in His word But God s purpose does not stop there just like the construction of a building does not stop with laying the foundation We read in 2 Timothy 3 16 17 God breathed into this book exactly as He breathed into Adam If God had not breathed into Adam Adam would have been just a pile of dust and any book that God has not breathed into is also a pile of dust God s Word has been given to us To teach us to show us the right path To reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go astray to direct us into the right path To train us in righteousness It is a training manual So we see that God's Word has been given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God may be adequate perfect and complete Like a glass of water filled to the

brim our character is to be rounded off balanced and complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in His Word can never be boring because Jesus is never be boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word
