Warhammer Fantasy Roleplay or Warhammer Fantasy Role Play abbreviated to WFRP or WHFRP is a role playing game set in the Warhammer Fantasy setting published by Games Workshop or its licensees. Combat in Warhammer Fantasy Roleplay descends from the system used for large scale miniature combat making it substantially more deadly than the combat featured in many other systems. Most human level creatures and characters can absorb only one or two hits without receiving a serious injury, a Critical Hit that may instantly kill, cripple or permanently maim a character. There are no regeneration or resurrection powers in WFRP and limited healing options. Fate Points which represent a character's fate or destiny provide a limited number of opportunities to avoid crippling or killing results. The first edition of WFRP was published in 1986 and later maintained by Hogshead Publishing. A second edition was developed and published in 2004 by Green Ronin and Black Industries respectively. Fantasy Flight Games published a third edition under license in November 2009. This edition used a new system retaining few mechanics of the original. A fourth edition, rooted in the first and second editions, was released under license by Cubicle 7 in 2018.
