Wings to Fly Deepak Sharma,2022-07-19 Wings to Fly beautifully illustrates that instead of constantly climbing the ladders of success sometimes we need to descend into the valley of truth and reality Especially for those facing the acute heat of poverty insecurity suffering disabilities and inabilities There is always an opportunity around us to sow the right seeds for the less beneficial people and weed out the superficial false and futile possessions All the compromises and sacrifices can be easily forgotten like a mother who bears all the pain while giving birth and raising her children Deepak found the true meaning and purpose of his life while serving the underprivileged children at Udayan Care He devoted his heart mind soul wealth and body to them as a full time volunteer and a guardian The book convinces one that each child is a lotus waiting to blossom They just need someone s support guidance care handholding and above all quality time The book intends to inspire one to make significant contributions to society nature and the universe in multiple ways Anyone can extend a hand of hope become eyes for the blind a voice for the mute clutches for the crippled destiny for the destitute and a lamp Deepak of light and hope for someone else True exuberance and contentment are found when we rise above ourselves and learn to live for others
